This yearbook is our attempt to recreate 2007 at J. Percy Page, and to offer a glimpse of the culture of our school. One look at our faces will show that we are a uniquely multi-cultural group, with all of the variety and richness of backgrounds that this brings, but school culture is much more than that; it is not only who we are, but what we do: it's how we conduct the business of education in our classrooms and organizations, at our special events and gatherings, how we extend ourselves in sports, the arts, and the community, and how we choose to spend our 'down time' throughout the year.

Welcome to your yearbook!

All efforts have been made to ensure completeness and accuracy in this book. However, notable errors include the omission of the Women's Soccer team--we're hoping that most of you played indoor soccer--and the lack of yearbook photos for anyone that was not present at registration; your names should be in the 'photo-shy' lists at the end of each grade. For any other oversights or inaccuracies, please accept our heartfelt apologies, and our promise to improve the yearbook each year.

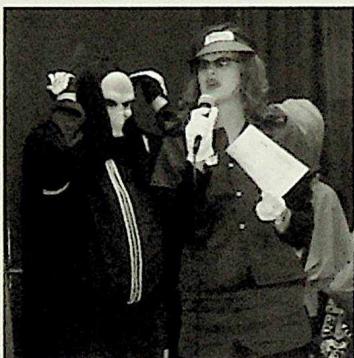

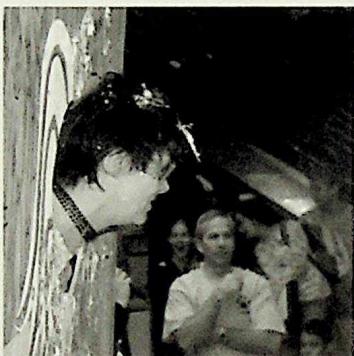

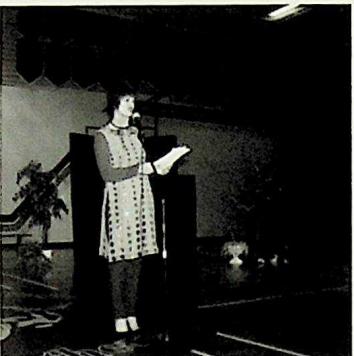

Your book is laid out in sections in its attempt to capture the year: the staff, special events and candids, athletics, organizations and other activities, 'in the classroom,' Grad, and the 'World Beat' news supplement. For your convenience, a subject index is provided on the final page.

Enjoy!

Ms. Stiles

This year was particularly significant for me at Page--the students that began at Page the same year as me were graduating...

Page rocked this year!

What an amazing group of Grade 12s! They set the stage for the Grade 11s and 10s and the school was buzzing with activity and energy throughout the year. We hosted many visitors who came from all over the country to see students and teachers accomplishing great things at Page; the school was showcased in so many ways, and it was all due to the hard work put forth by all members of the Page team! School was really fun this year and time flew by so quickly. From the Talent Show to Page TV to Multicultural Night to all of the tournaments, teams, classroom activities, and more...Page rocked!

On the future...

It is with a heavy heart that I leave this school to continue in another. You have my heart, Page--I truly love the students and staff here. I want to thank the entire school community for allowing me to be a little part of your great history!

Mr. Sutherland

To all of the students of J. Percy Page:

It is with mixed emotions that I say goodbye and good luck. I have thoroughly enjoyed my time as an assistant principal at Page and have had the opportunity to meet and work with many amazing students and staff. I look forward to my new challenge as a principal, and wish each of you all the best in your future plans. Always keep the Panther Pride!

Mr. Sutherland

Mr. Riar

Mr. Stobbe

Ms. Marino (Madsen)

I am always amazed at the development and growth in all of our students in the short time that they spend at high school. Many are ready to move on; some still want to cling on to what they had. Some embrace the change, some stand back and watch it happen and then jump in. As Steve Nash said, 'You will never be able to re-create this time in your life, so take advantage of it.' Make some tough decisions to step out of your comfort zone and stand up for what you believe in and what is right.

For you Grade 10 students: you have had your time to watch, now is the time to act on your goals. **Grade 11 students** need to recognize the doors of opportunity that you can open up by being committed to your studies. For those who are part of the **Graduation Class of 2007**, be proud of what you left behind, look forward to what lies ahead, and always carry your Panther Pride with you. Best to all of you in your future.

Narindar Riar

To the Grads:

We are so proud of you! Congratulations on completing High School! Your future is so bright, and we wish you well in whichever path you choose.

To all Page students:

Thank you for sharing your stories, your smiles, your challenges, and your successes with me. It has been a fabulous year and I can't wait to see what you will do in 2007-2008! Remember that Ghandi once said: 'Be the change you want to see in the world.'

Insert: Kyla Greyson

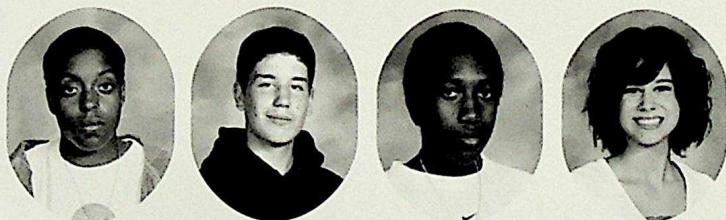

The Junior Women's Volleyball team is a story of a team which, in a short period of time, (8 weeks to be exact) went from a team raw in their skill to one that demonstrated confidence, poise, discipline and true volleyball skill on the court. It didn't come easily, though. The girls had weekly early morning practices; when most students were getting up, the girls were in the gym sweating it out on the hardwood at 7:15 a.m., and sometimes on those early-practice days they had to play a league game after school. There were days we were all at Page for over 12 hours! Four to six days a week the girls were playing, practicing and breathing volleyball, but all that hard work paid off as the Jr. Girls Volleyball team took the City Conference Championship in 2006!

Great job ladies, we are all so proud of you!

Volleyball

Senior Women

The girls played in the Premier Conference once again this past year. The regular season play was more of a re-building season so the girls learned a lot and beat the 3rd Place team, Spruce Grove, in the last game of the season to earn some bragging rights. The girls enjoyed many successes at the tournaments they competed at. They started off the year at the U of A, then they traveled to Vancouver to compete at the Trinity Western Invitational, where they finished in second place on the B side out of 24 teams. The girls had a great time in Vancouver! The team won Bronze at our own Top Gun Volleyball tournament, beating perennial favourite Bert Church. The girls also won Gold on the B side of the Christ The King Tournament in Leduc, bringing back a little hardware for the school. All in all the season was a great success. There were many great quotes, lots of laughs and even some tears. There will be players leaving next year but the many that are returning intend on carrying on the great success they have had in the past. Mr. Stawnicky enjoyed himself immensely with the group he had this year and a special thanks to Page alumni Marty Franco for helping out with the coaching duties.

Team members, back row, left to right: Porsha Sherwood, Tenzila Karalic, Amy March, Brandi Bihuniak, Mr. Stawnicky (Coach); middle row: Leigh Pederson, Alanna Grant, Cecilia Guzman, and Fran Grabinsky; front row: Kayla Neumann and April Strekies

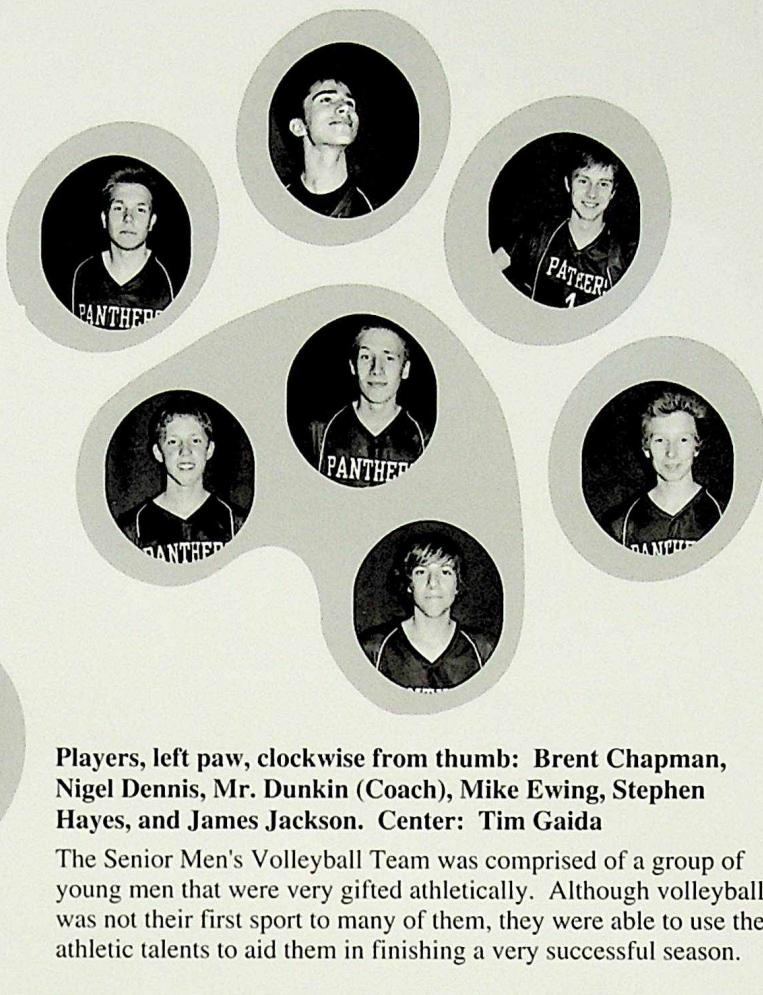

Inserts, left to right: Amanda Smith, Sanja Stojanovic, and Marty Franco (Assistant Coach)

We are sad to say good-bye to Grade 12 players Brent Chapman, Mike Ewing, Stephen Hayes, Landon Orr, Brant Oviatt, and Mike Pepper.

We wish them well in all their post-secondary athletic endeavours.

We are happy to be returning four strong players in Tim Gaida, Alex Jamani, Ivan Matyukhin, and Matt Ramshaw. In addition, we are looking forward to the graduating players from Mr. Watson's Junior Boy's teams to round out our roster next fall.

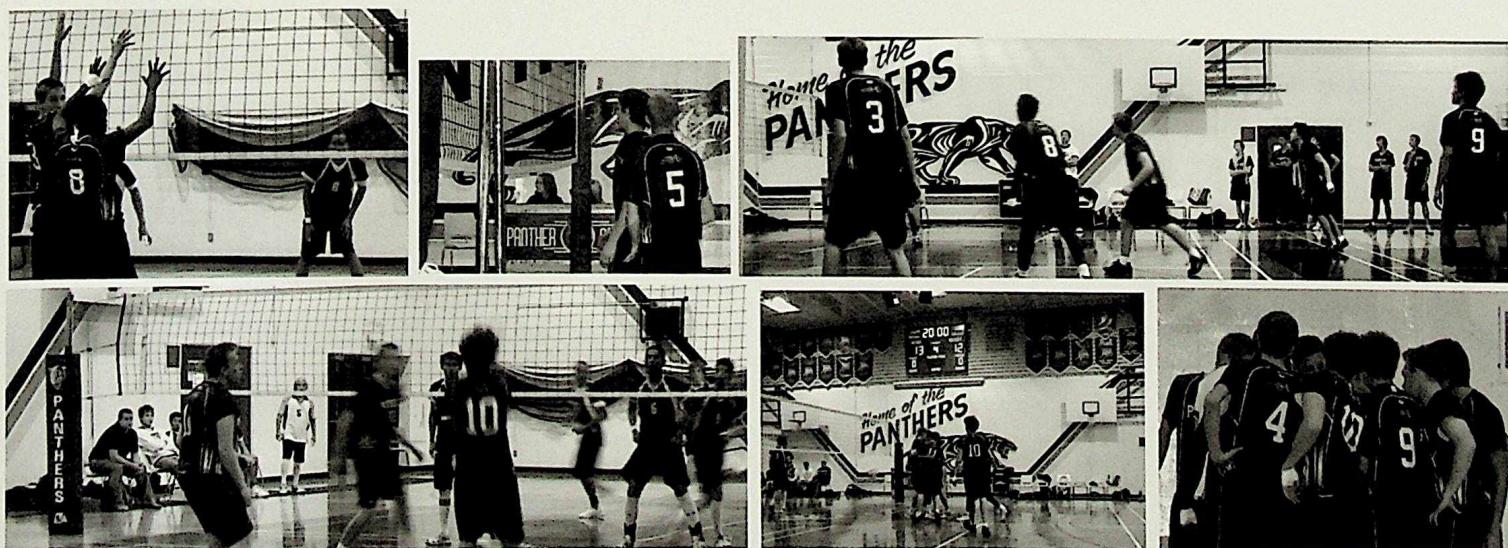

Thank you for supporting us all season long, and we look forward to seeing you in September 2007!

Players, left paw, clockwise from thumb: Brent Chapman, Nigel Dennis, Mr. Dunkin (Coach), Mike Ewing, Stephen Hayes, and James Jackson. Center: Tim Gaida

The Senior Men's Volleyball Team was comprised of a group of young men that were very gifted athletically. Although volleyball was not their first sport to many of them, they were able to use their athletic talents to aid them in finishing a very successful season.

The first highlight of the season was our trip to Vancouver to compete in the University of British Columbias 40-team tournament. In a tournament that features the best teams from B.C., Alberta and Manitoba, our boys represented our school well, showing that we can compete on a provincial level.

The second highlight of our season was the resurgence of the Top Gun Invitational Volleyball Tournament. After some years of absence, the tournament was run with teams visiting us from British Columbia, Saskatchewan and Alberta. Again, our young men played admirably and showed that we can compete at an inter-provincial level.

Basketball

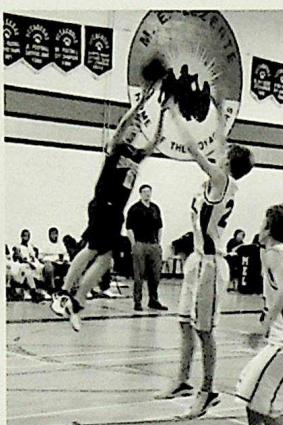

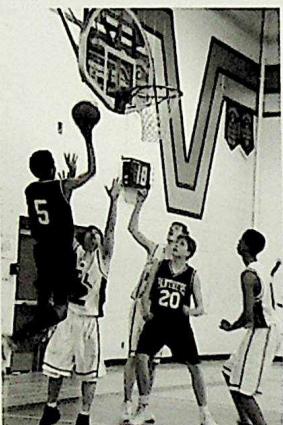

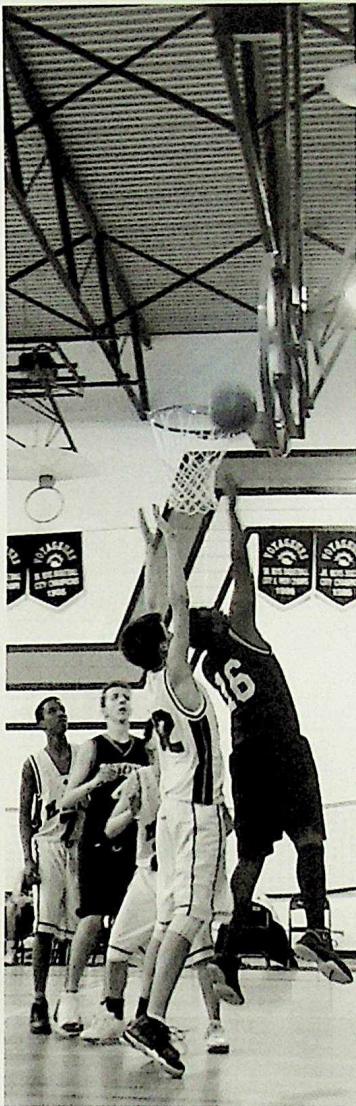

Junior Men

The Jr. Men's Basketball team took another step forward in the 2006/2007 season. The season began with a tournament at Bev Facey High School in Sherwood Park, where the team began to recognize their potential. In the seeding round that led up to the holiday break, the Panthers placed 2nd in their pool, trailing only Harry Ainlay. This achievement allowed the team to compete in the premier division, a feat unaccomplished the previous year.

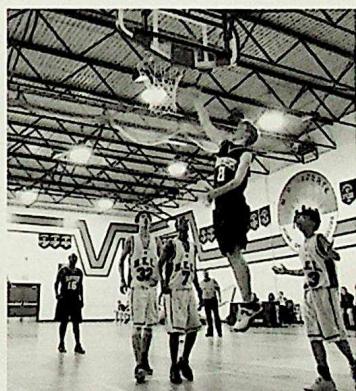

In January, the team participated in two out of town tournaments at Salisbury and Lindsay Thurber in Red Deer. The team's final tournament took place in the middle of February at M.E. Lazerte, where they brought home the trophy for consolation champions. The ability round started and finished with no real surprises or upsets; the Panthers placed 4th and won the right to host a playoff game against McNally, a game in which the team battled back from a 22 point half-time deficit to defeat the tigers.

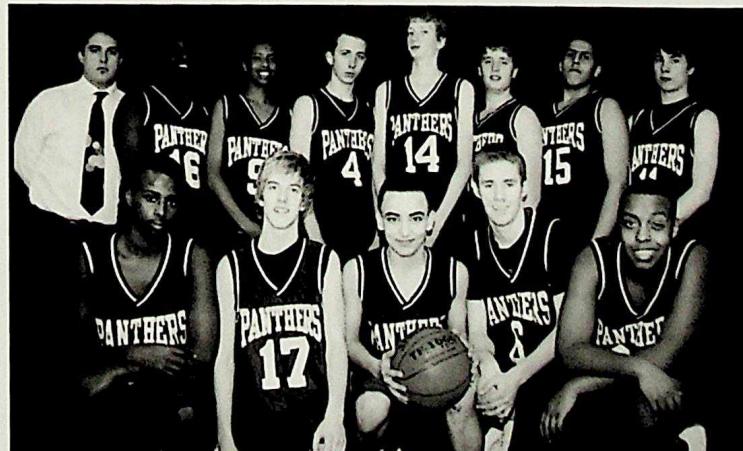

Positively, this was another highlight of the year. This victory propelled the squad to the premier conference semi-finals, where they would go on to be defeated by the eventual city champions, M.E. Lazerte.

The season saw some incredible individual steps forward, as well; some players prepared to move to the next level, while for others, tremendous progression was a great achievement. Overall, the team had a very successful and fun time together!

The Sr. Women's Basketball team had a successful season this year playing in the City Conference. They finished 3rd during the regular season but advanced to the City Championship to play Wagner in the finals. It was a great game, and the Sr. Women walked away with a silver medal.

The girls also had many fun travels along the way this season. They went to Medicine Hat and Lethbridge where they had some good team bonding experiences. Other highlights included making it to the Bronze medal game at our own WIC 2007 Sr. Basketball tournament and competing against some provincial contenders at the Salisbury Comp and St. Francis Xavier tournaments. There are a few girls who graduated and will be moving on, but the team is excited to build on its success from this year with some new up and coming prospects.

Thanks to Jason Yen and Rob Veronovici for all their hard work coaching and chaperoning the girls on their many road trips.

The Sr. Women's Rugby team had another successful season this year by winning their second straight City Championship against ME Lazerte. The team had many Grade 10 rookies playing, but they all exceeded expectations and rose to the challenge of taking on girls who were in Grade 12. With the help of All-Canadian player/coach Sarah Stevens, the team went **undefeated** during the regular season and in the playoffs; with the crown being the championship at the end. The team looks to continue their success into next season with many returning players and a new contingent of rookies coming to play Panthers Rugby.

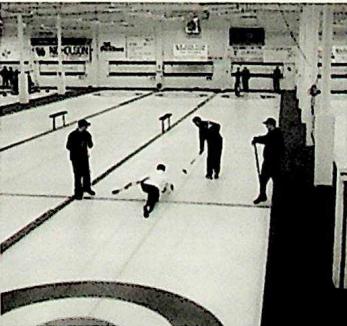

Curling

Another year has come and gone at Page, and with it, another year of curling. I say year because the season lasts from October until March. It truly is a long term commitment for the players to make. I want to thank the team for its enthusiasm, patience for one another, and endurance. Particularly, there are two boys who have contributed a lot to the team over the past three years: Matt Willard and Brent Chapman are fantastic curlers and have been key to Page's curling success. While at the school, the boy's team placed top three in the city each year, and once had the opportunity to represent Edmonton at Provincials. In addition to Matt and Brent graduating this year, we will also lose David and Steven Orobko, as well as Brant Oviatt.

Thank you for your contribution to the team and all the best in the future.

On the girls side, we saw two newcomers to the sport, Ash Pelettier and Shyloh Rayopold. They were great to work with, were always smiling, and showed excellent progress and potential for great things to come. May they continue next year from where they left off.

This was the first year of running indoor soccer at J. Percy Page. While the team went through first-year growing pains, they showed continual improvement throughout the season. With only one

Grade 12 player on this year's squad, we are really looking forward to the development of the indoor program over the next few seasons.

Badminton team members included: Hussain Ahmed, Brent Chapman, Scott Dickson, Cody Rowbotham, Tim Gaida, Andrea Heine, Diljot Judge, Tyler Lofstrand, Stefan Luedersdorf, Tamur Malik, Aoun Naqvi, Erin Oviatt, Brant Oviatt, Leigh Pederson, Matt Ramshaw, Justine Poole, Cassandra Rasko, and April Strekies. Coaches were B. Mitchell and K. Trew

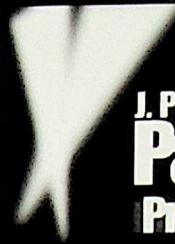

2007 was a very successful year for badminton at our school. We began our morning drop-in club in early October; it ran until late March. Up to 30 people were coming out for the fun, including Mrs. Jorgensen and Ms. Rana. A team was then forged out of the dedicated group and we began to train for the season. Our players attained early success by reaching the podium at the Concordia Open during spring break.

The team's success continued near the end of the season with our senior mixed team finishing in second at zones. Other players reached the provincial qualifier at the junior level in both men's singles and women's doubles.

PAGE POWER

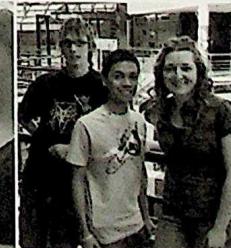

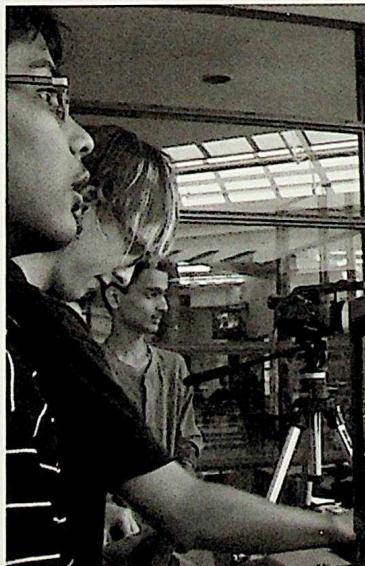

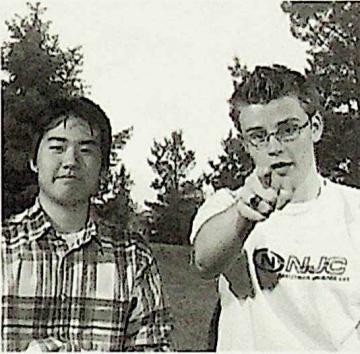

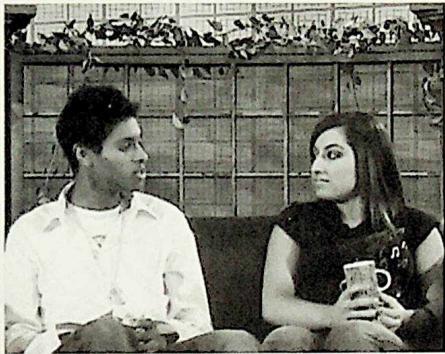

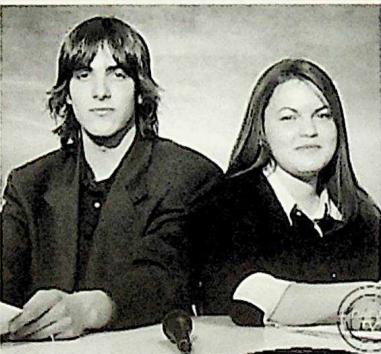

J. Percy Page
Page TV
Productions

The brainchild of student Eric Hong, Page TV has, over the past three years, produced a weekly news broadcast for our school. Over 50 students and staff have been part of Page TV, but many more have either been on the show or contributed to episodes along with local celebrities such as Iris Evans, Mel Hurtig, Paul Brown from the Bear, or The Bounce's Harman B.

We love Page TV! People request air time, students are proud to have their work showcased, staff and students alike have shared a laugh or a tear, and it's one of the few times outside of school assemblies and special events where we all do something together. Whatever you think of any particular episode, it's part of our school culture.

The images on this page don't do justice to the over 50 episodes and live telecasts produced during the past two and a half years, but you can watch the re-runs at www.jpercypage.com...enjoy!

TRAVEL CLUB

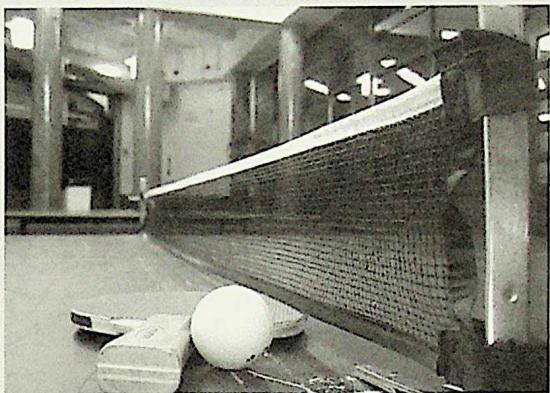

The Travel Club went on a trip to Spain during Spring Break of 2007. Fun was had by all.

Page Ping Pong enjoyed another banner year. Participation was way up, whether students were 'drop in and try it out' types or the more hardcore ping pong player. And yes, even the ladies came out to best the boys on the table! Before school, lunch and after school, Page Ping Pong is goin' strong!

PING PONG

DANCE CLUB

The J. Percy Page Dance Club was formed in March this year. Meetings took place every Wednesday at lunch in the Drama Room. Students and staff were treated to mini-workshops of Latin, Ballroom, Hip-Hop, and Country Dancing. Some examples of dances covered include the Merengue, the Waltz, the Hip-Hop and the Tush-Push line dance. Many interesting, comical and fun experiences were had by all involved. Ms. Moss was kind enough to instruct the Country Dance. A Salsa workshop was also offered for Staff on April 12th after classes.

With the strong start that this club had in the spring, we look forward to even more response from staff and students and a strong start to Dance 2008!

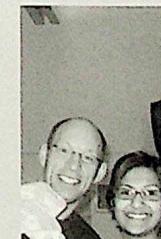

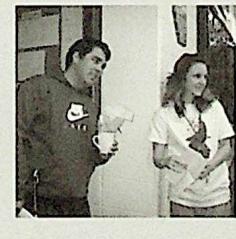

Events this year included Welcome Week, Halloween Week (including Fear Factor, the Barbie Dunk, the 'Taco Bell Blender Meal', and the 'Eat 3 Jalapeno Peppers' challenge, plus the Fashion Show), 'The Lone Texan' guest speaker, monthly celebration assemblies, the End of the Year BBQ, and pit events such as Pie the Staff, MC Week, Santa's Visit, Roses for Valentines, and Make a Statement Day...

It would be impossible to explain the complex relationship between SU and Leadership without a Venn diagram; suffice it to say that some students were in both, some were in one, and some students helped out throughout the year without being 'official' at all! At any rate, these students were responsible for all of our pit events, special weeks, and guest speakers, and most of our assemblies, as well, not to mention all of the special initiatives that made our lives little brighter throughout the year. Many thanks to advisors Ms. Toms, Ms. Wnuk, and Ms. Wright!

On these pages you'll see prep for the 'Pie the Staff' event, as well as just a few of the happy staff that were 'mugged' by SU! For more SU stuff, check out the many activities and events that were held throughout the year...they had a helping hand in almost everything!

STUDENTS' UNION LEADERSHIP

Get home in one piece, not in pieces.

According to SADD statistics, among youth aged 15-20 the number one cause of death is motor vehicle crashes (2006). Add alcohol to the formula, and you can imagine how many additional lives are lost as a result. Although the messaging goes out frequently as to the dangers of drinking and driving, people still don't seem to understand the consequences of doing so until they experience the repercussions.

Therefore, J. Percy Page decided to form a SADD committee this year, allowing students and teachers to voice the importance of separating the acts of drinking and driving. The SADD committee was a huge success, conducting several fundraisers to promote awareness and constructing the first annual 'SADD Wall' committed to keeping students at our school safe throughout graduation and the summer of 2007!

The place to be...

It looks empty now, but the caf is where people meet at Page.

The Library

Book Review Club

Our club started with a mix of students and staff. We decided to read a novel by Amy Tan called *Saving Fish from Drowning*. That selection did not prove to be very popular with anyone in our group. Since our inception, due to people's busy schedules we have evolved into more of a book review club. Members select books that they'd like to read and do a short review for. These reviews are posted on the Book Review Club web page (<http://www.jpercypage.com/resources/book.php>). Members may select their books to review from new materials purchased by the library, or may make suggestions for purchase.

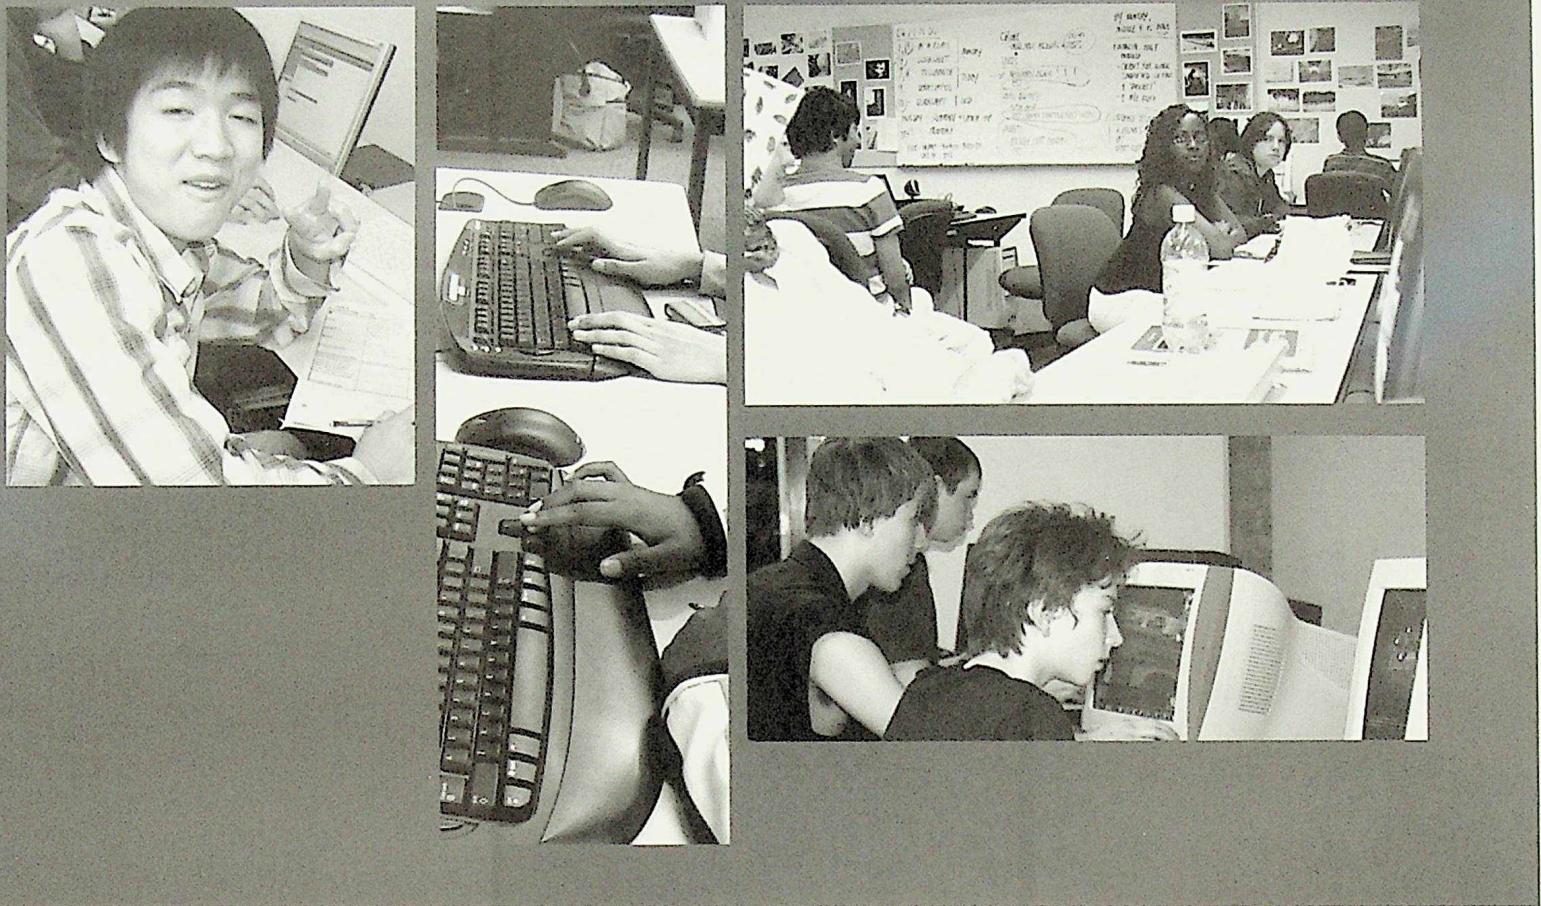

On-Line...

No gaming here, but no waiting for a machine, either!

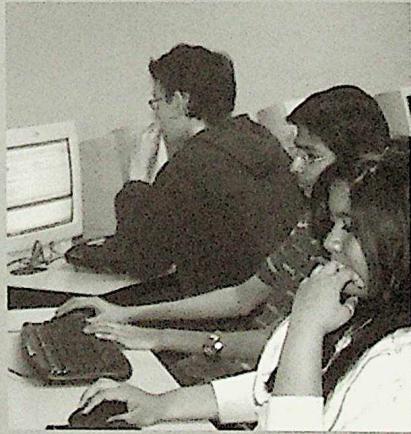

Another Popular Gathering Spot

Along with the Pit and the Caf, the Library is a favourite meeting spot for many...

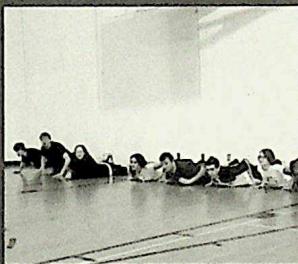

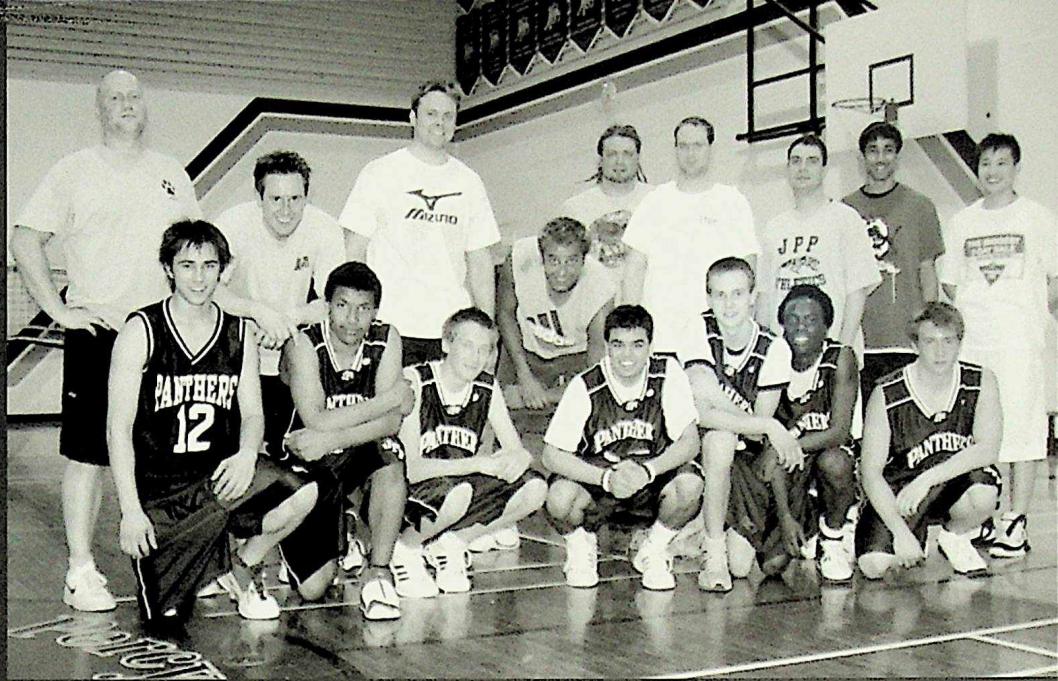

Computers and Gaming

Page's Largest Unofficial Club

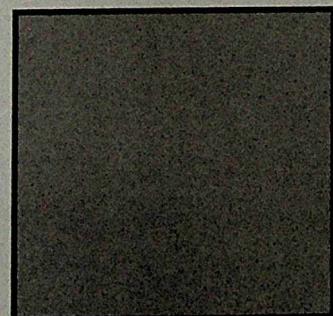

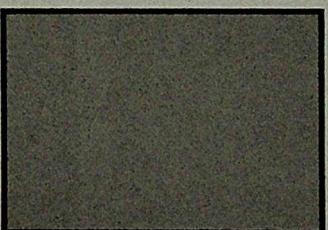

When we look at how we spend our time, you can't overlook 4-107. This lab is almost always full of students gaming, viewing or listening to on-line content, checking their e-mail, catching up on work, or just net-surfing to relax.

Maybe next year it'll be time to get organized!

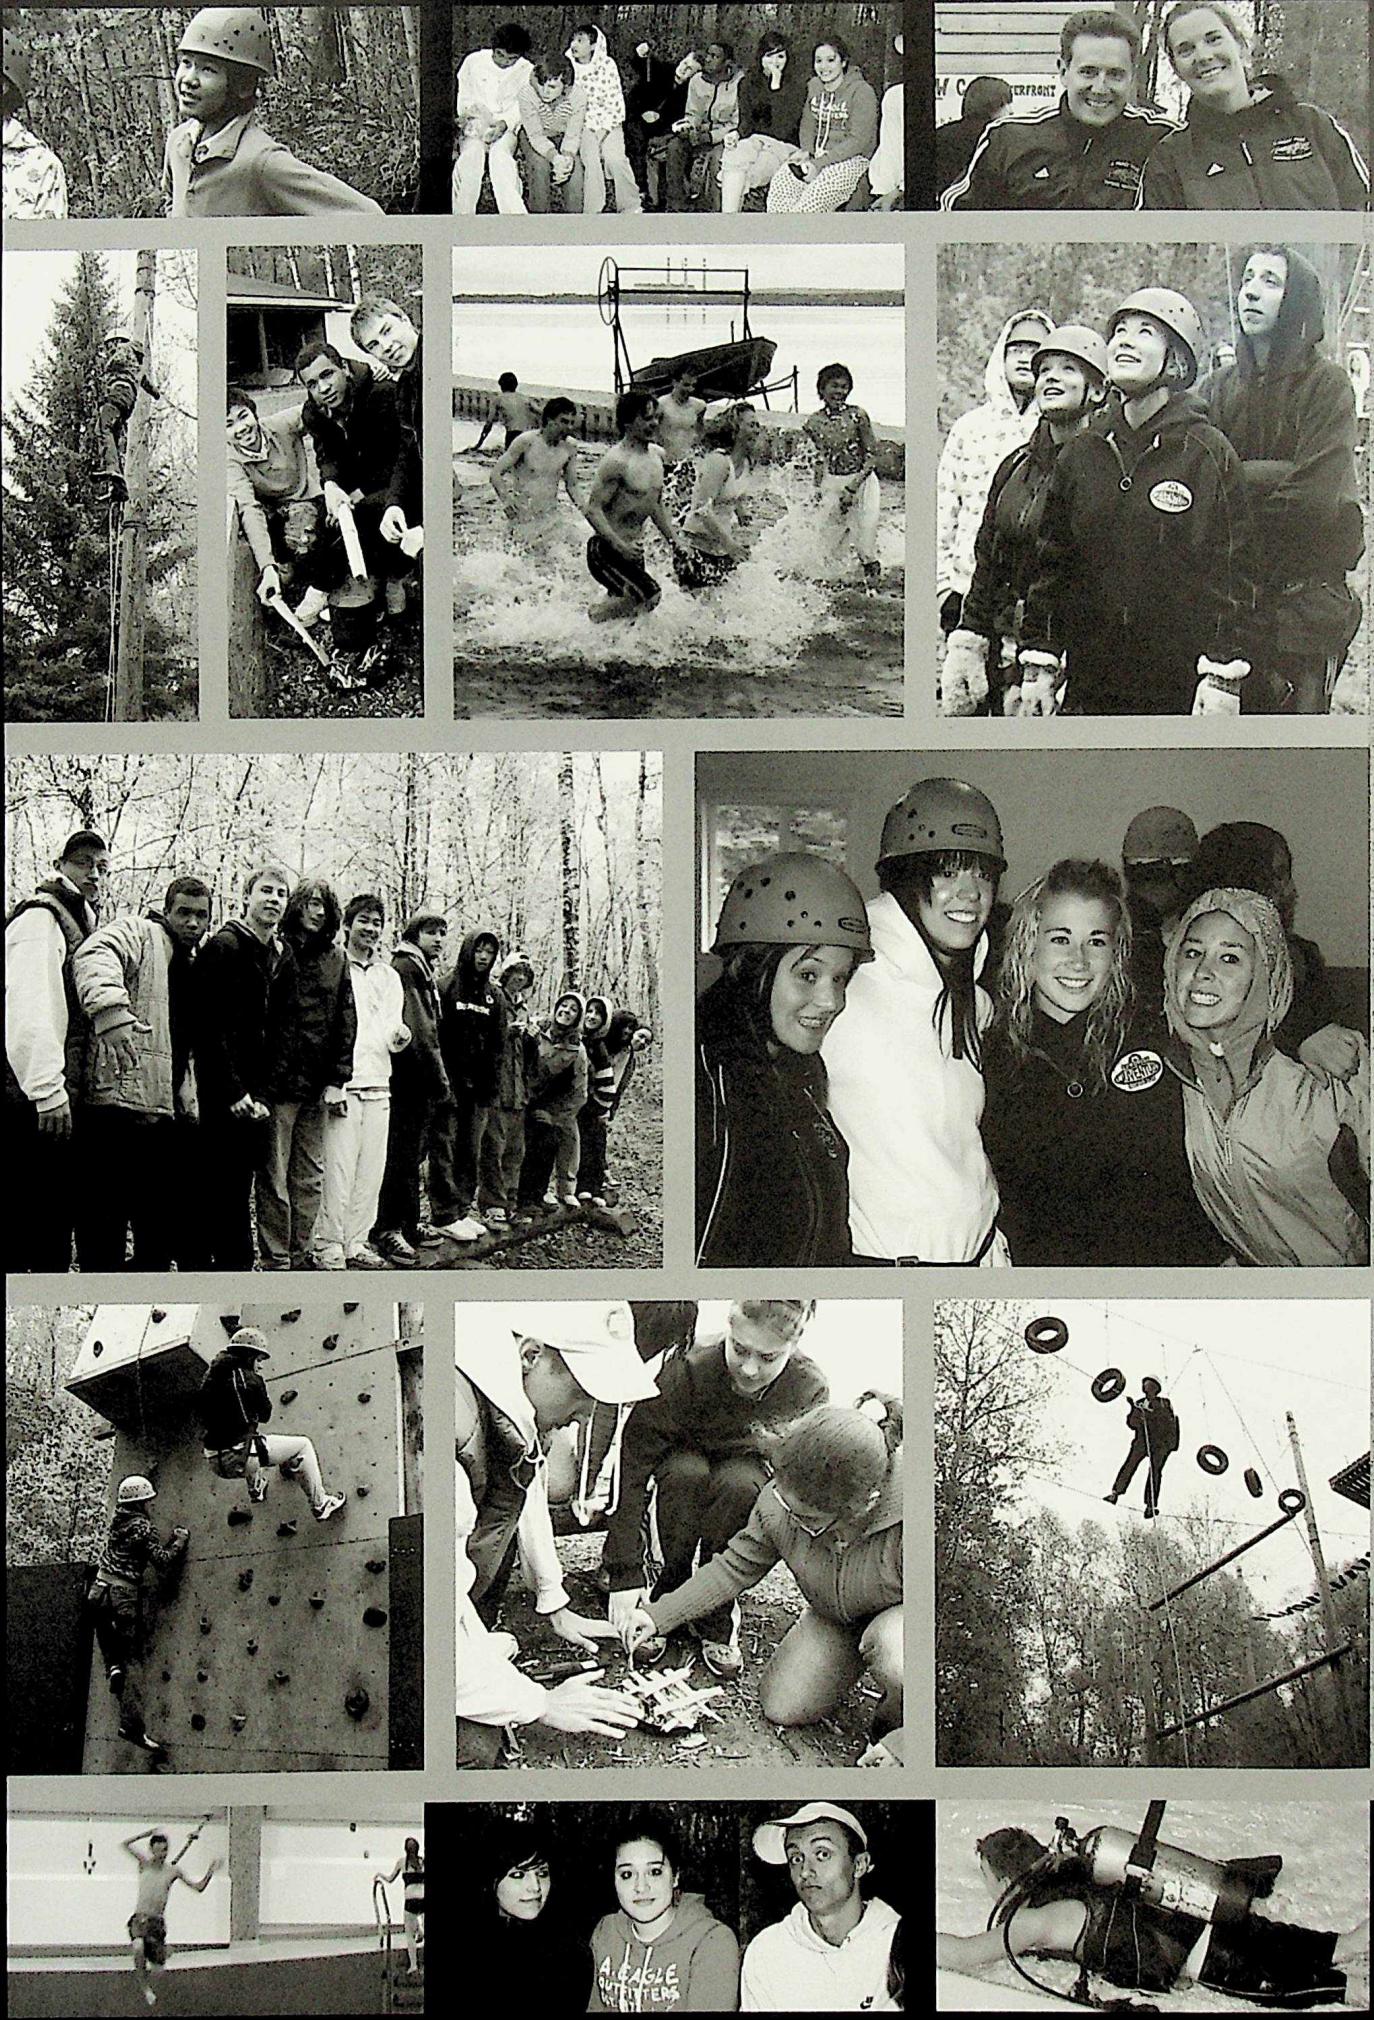

Student Staff Challenges

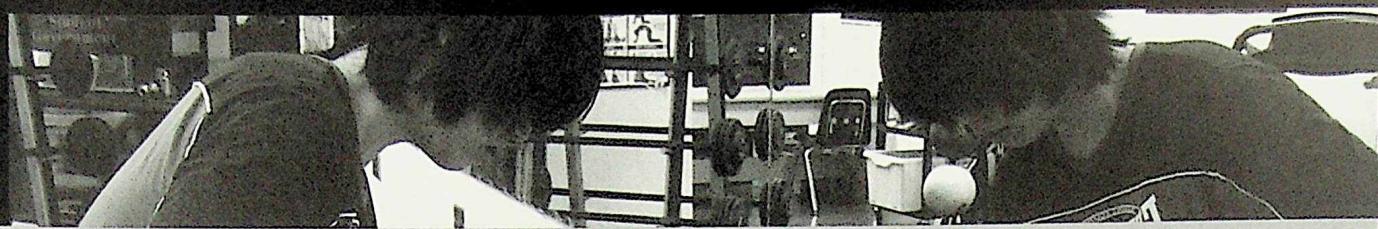

We had a great year with students challenging the teachers in many different extra-curricular events. The first challenge came from the Sr. Boys Basketball team. The Teachers' (Mr. Riar, Mr. Mosen, Mr. Stawnicky, Mr. Dunkin, Mr. Kereliuk, Mr. Freed, Mr. DeAlexandra, Mr. Shrimpton) played the Sr. Boys and lost quite handily with a final score of 85-40, but put up a good fight in the first half, only to lose some of their wind in the second due to age. The second challenge was at Dodgeball where The Teachers (Mr. Trew, Mr. Prosser, Mr. Stawnicky, Ms. Wright, Mr. Kereliuk, Mrs. Jorgenson, Mr. DeAlexandra) lost again to the many different student teams that pelted them with well-aimed shots. The final challenge was the annual 3 vs. 3 Basketball Intramurals. The Teachers battled hard to make it to the final, only to be defeated once again by Nigel Dennis, Alex Jamani and Steven Hayes. Let it be noted that it was a close game and the teachers (Mr. Dunkin, Mr. Riar and Mr. Stawnicky) believe they ran out of time.

PHYS. ED. TRIPS

FITNESS CENTRE

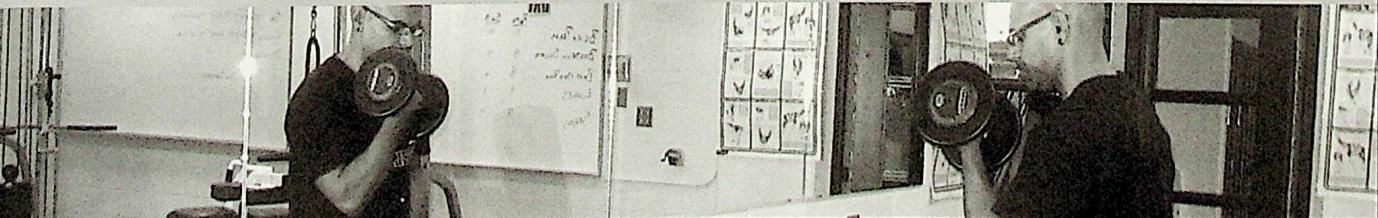

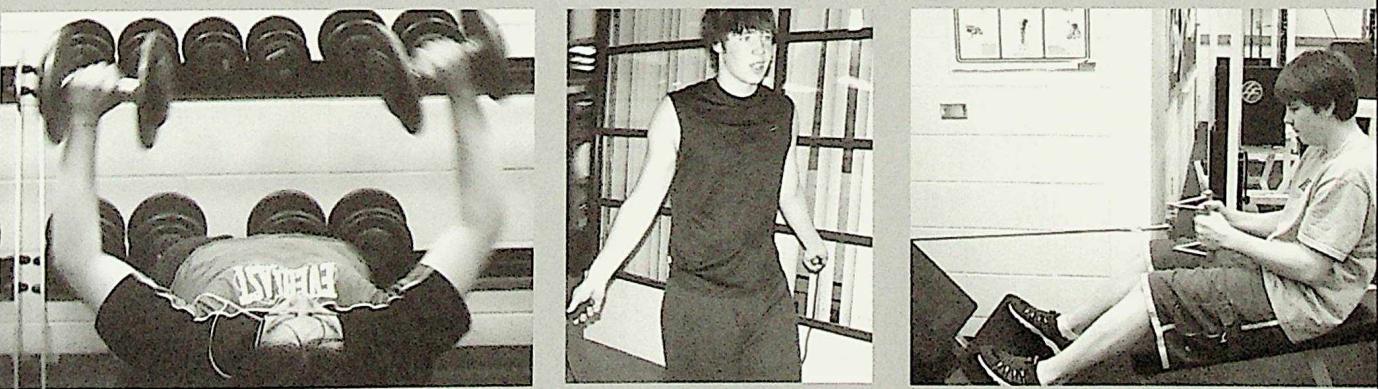

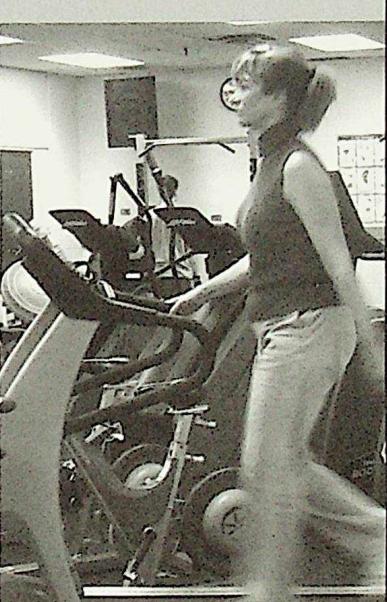

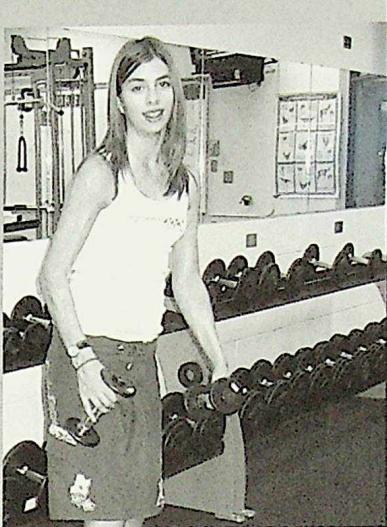

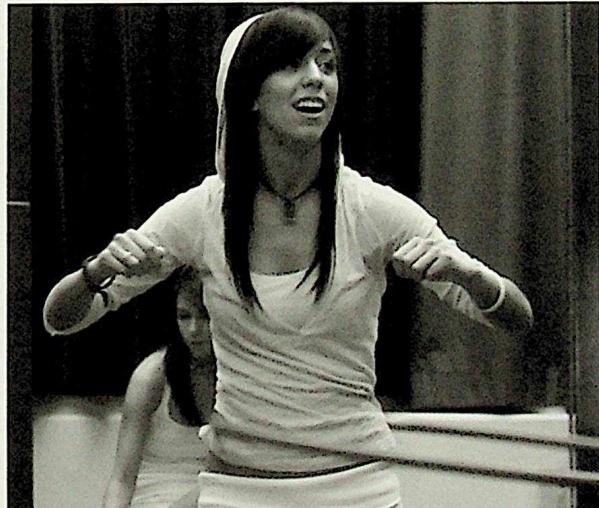

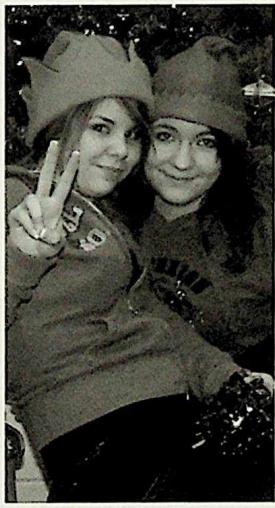

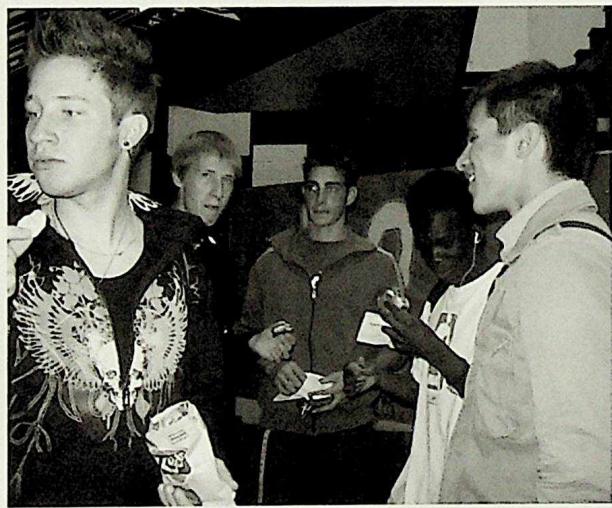

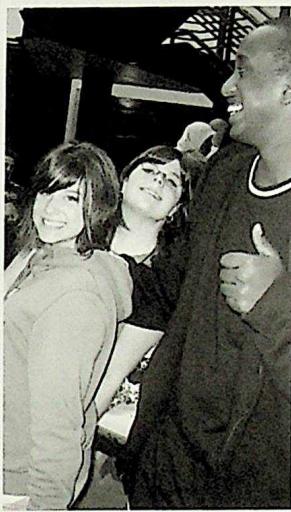

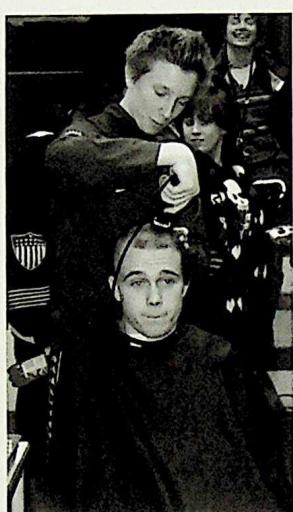

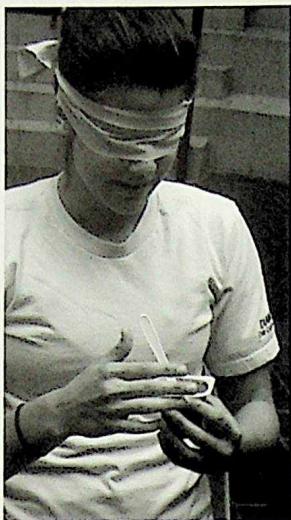

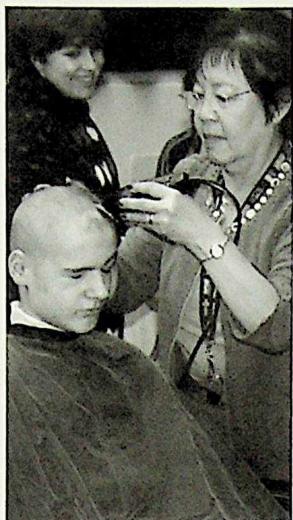

The Wellness Centre saw many changes over the 2006/2007 school year. Business started slowly in the fall, built quickly for a busy winter, and continued for a steady spring. New faces, goals and equipment were all wonderful additions to the J. Percy Page Wellness Centre powered by Kwantum.

New classes and exciting events were brought to the Wellness Centre, as well. Fitness Week brought in some fresh new faces, while the Kwantum Motivation Challenge boosted Panther Pride and saw Page beat Wagner to finish third its inaugural year participating in the event. Lastly, the Wellness Center saw Spa Day become the 'next big thing' as young Page women came into the Centre to receive some well-deserved pampering from Marvel College students. Along with these great events there were a number of fitness classes brought to the Wellness Center, starting with 'ABS Mania' brought to you by myself, Mr. Jenkins, Spin Class run by the lovely Mrs. Norton, and 'Functional Fitness for Girls' performed by our NAIT practicum student, Lindsay Stebbing.

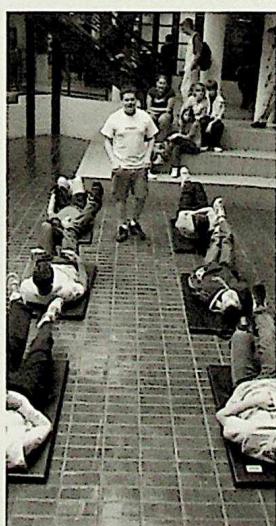

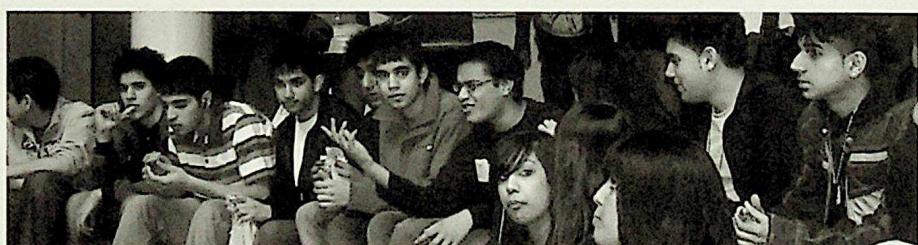

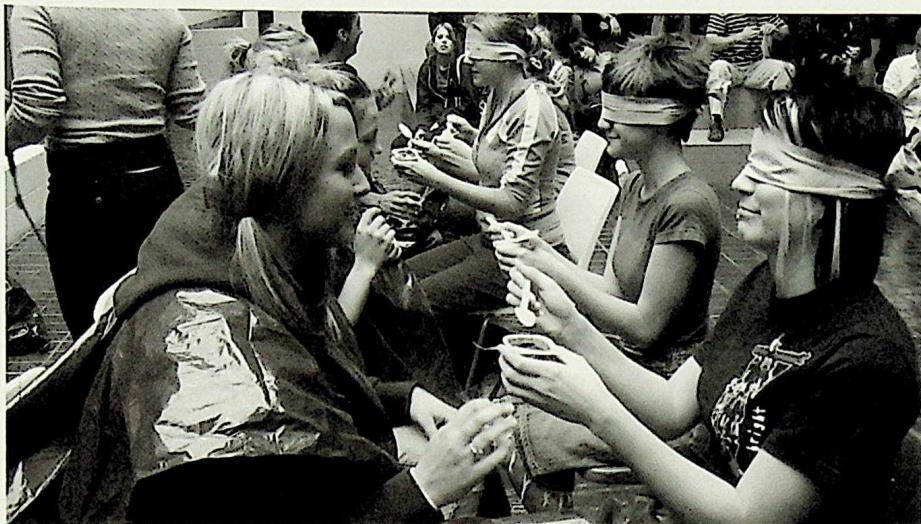

Membership doubled in the Wellness Centre in 2007, starting at about 100 students and finishing the school year with over 200 active participants. There were a lot of laughs and smiling faces, and a great all-around positive atmosphere where any Page person would feel comfortable. It is my hope that every student and staff member that has come into the Wellness Centre has enjoyed an experience that will give them long-lasting 'fitness' memories of the 2006/2007 school year, and continued motivation for a healthy lifestyle.

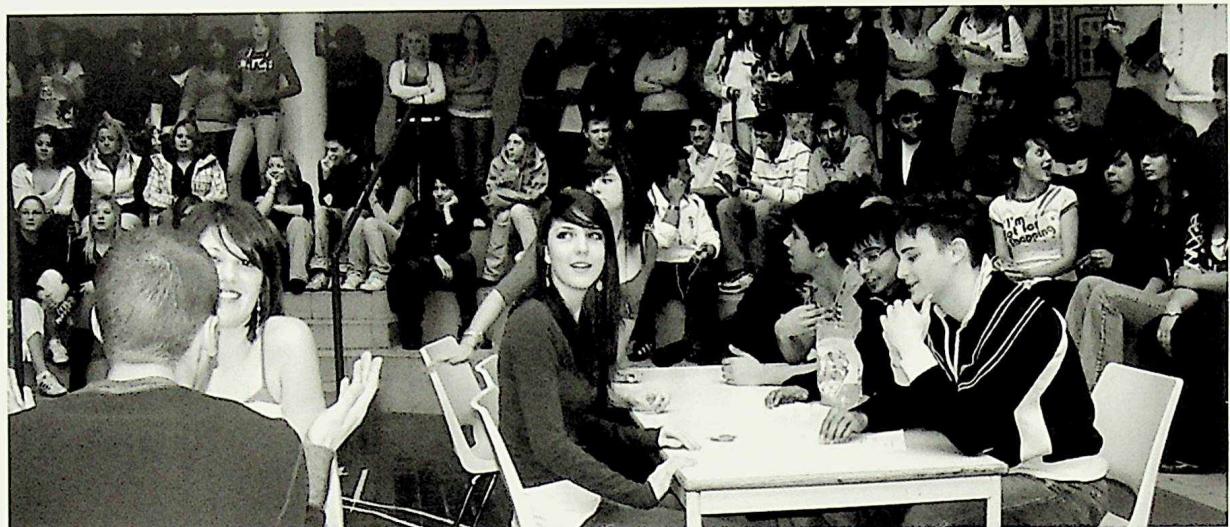

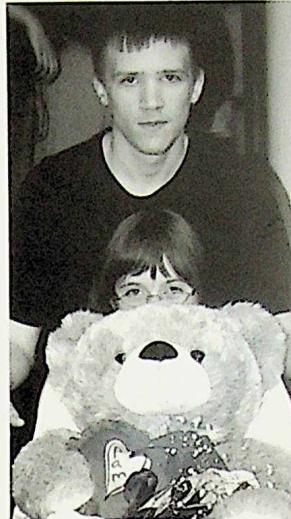

Sincerely, Matt Jenkins

In Memoriam

Donald Wallace

Early on Monday, May 28th, 2007,

J. Percy Page was struck by the tragic death of Donald Wallace. We learned of the news through a school-wide video address by Ms. Stiles, with many students and staff numbed by the news.

A special service was held at the school in the Global Classroom on Friday, May 31st to allow those of us who knew Donald to pay our respects. His loss affected us all.

Grade 11 student killed while pushing stalled car along dark highway

Elise Stolte, with files from Ryan Cormier; the Edmonton Journal; Published: Wednesday, May 30, 2007

EDMONTON -- Grade 11 student Donald Wallace was driving a borrowed car and on his way back from taking an acquaintance to the hospital when the engine stalled, said his father.

It was dark early Monday morning.

With no hazard lights or headlights, Wallace and the 16-year-old girl who was riding with him decided to push the car along the highway. They were five minutes from their destination near Calmar, 20 kilometers southwest of Edmonton, when Wallace was struck and killed by another car.

"My poor baby; he hadn't even started shaving," Kerry Wallace said Tuesday of his son's death. "We're just devastated."

The 17-year-old had great marks at J. Percy Page High School and was in line to get a provincial Rutherford Scholarship, his father said. He had just recently earned a blue belt in karate and helped teach once a week at a local martial arts school. And he had "a passion for big old Chevies," said his father. "He was always working on the big old cars with me and he worked as a mechanic for a summer job, too. "He was very handsome and so smart. That's our only baby."

Wallace was driving with his girlfriend, said a classmate who didn't want to be named. Wallace was always the first to laugh and would soon have the entire class laughing with him, she said. "It was like he always had an inside joke. He was just an amazing guy. He'll really be missed."

Kerry Wallace said he didn't know who his son drove to the hospital or why he was near Calmar. "After you lose your baby, it doesn't much matter."

Funeral arrangements are still being arranged.

Leduc RCMP said the Dodge Colt that Wallace was driving was headed west on Highway 39 when the engine stalled and the battery died. Wallace and his girlfriend were pushing the car, which was still partially in the traffic lane, when it was struck by a westbound Pontiac Sunfire driven by a 20-year-old Calmar woman. The woman and the passenger were not seriously injured.

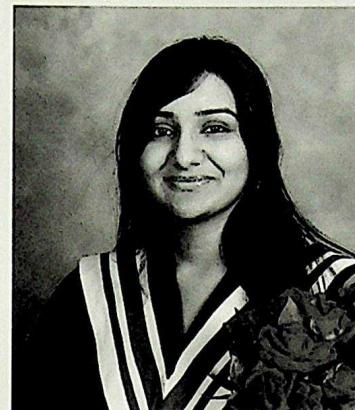

Wallace was airlifted to the University Hospital. His parents received the phone call at 2 a.m. and went to hospital just as the helicopter flew in. Their son died Monday evening. "He was gone from the time he was struck," Kerry Wallace said. "He had severe brain injury before he hit the ground. "It wasn't the fault of the other driver. The other driver couldn't see."

Wallace's organs were donated to help four other people.

Math

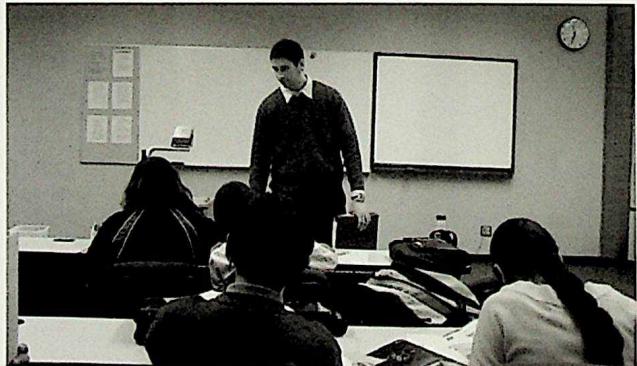

We asked the Math Department for a write-up on the year's activities, and this is what we received:

None of us could decipher it, but we're pretty sure it means they were busy with Math stuff all year long...classes, contests, practice tests, real tests...that kind of stuff.

Below was Mr. Freed's reward for the Math Department's inspired yearbook submission:

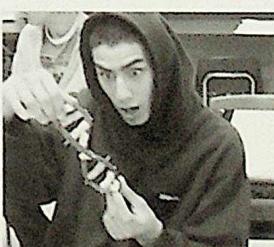

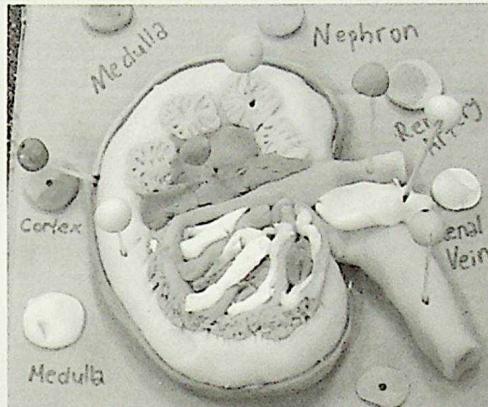

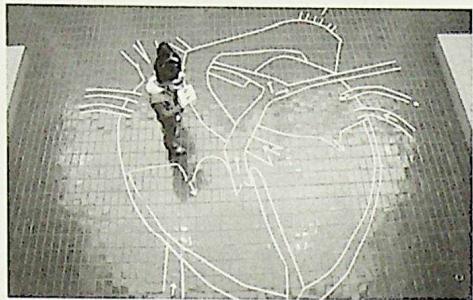

$$\begin{aligned} z &= \sin(y) \\ z &= \frac{e^y - e^{-y}}{2i} \\ 2iz &= e^y - e^{-y} \\ (2iz = e^y - e^{-y}) \times e^y \\ e^{2y} - 2ize^y - 1 &= 0 \\ e^{2y} &= \frac{2iz \pm \sqrt{-4z^2 + 4}}{2} \\ e^{2y} &= iz + \sqrt{1 - z^2} \\ iy &= \ln\left(iz + \sqrt{1 - z^2}\right) \\ y &= \text{Arcsin}(z) = \frac{1}{i} \ln\left(iz + \sqrt{1 - z^2}\right) \end{aligned}$$

Science

Some Interesting Science Stuff...

Autopsy Video Conference: Through the Columbus Ohio Science Initiative (COSI), Forensics students participated in a once-in-a-lifetime experience: the In-Depth Autopsy videoconference. Brave individuals stomached the visually graphic process from the routine external exam to the disturbing brain extraction. **Expert Guest Speakers (Mrs. Huculak's favourites):** Members of the Edmonton Police Service (EPS) shared their expertise from various specialized units: Drug, Canine, Intoxilyzer, Gang, Explosives, and Search & Rescue. Throughout their Power Point presentations, speakers shared detailed fascinating facts about the real-life challenges concerning criminal identification and successful apprehension. **Guest Speakers from NAIT in the pit. FT to the Telus World of Science.** Plus a whole bunch of other stuff they didn't tell us about!

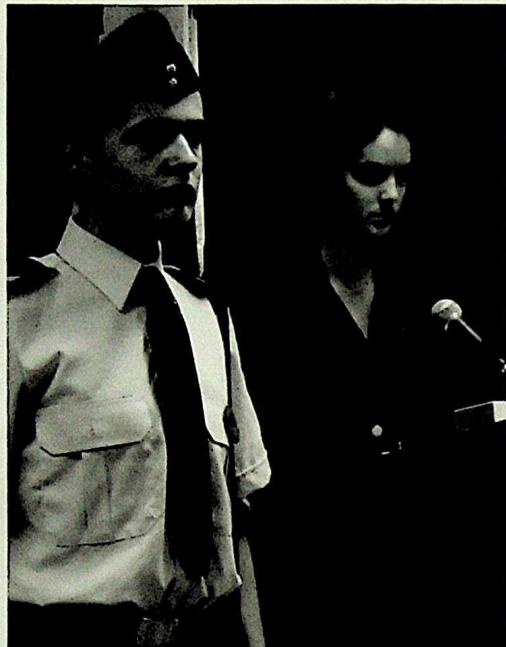

Other Activities in Forensic Science

During this years high school CSI event, the Forensics 25/35 classes competed for the coveted MacEwan Cup. Teams of five students used their forensic skills to complete five stations: crime scene (sketch with notes), fingerprint development (latent on tile), footwear comparison (impressions to compare), and interviewing individuals (witness and student). Each diverse group submitted a final detailed report that supported the suspicious death as an unfortunate suicide or a malicious murder.

In Science 24, students created 'Sweet DNA': candy models of DNA using Twizzlers and Gummi worms, which the students promptly gobbled up after the activity...no, not these ones!

Social Studies

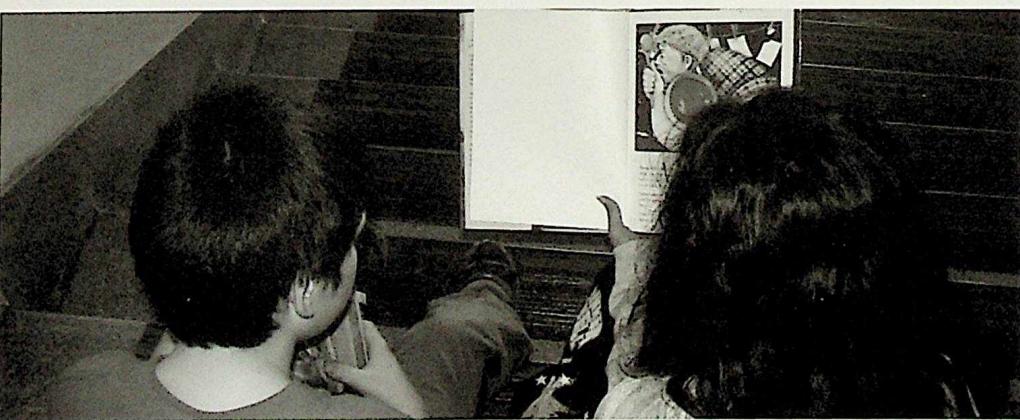

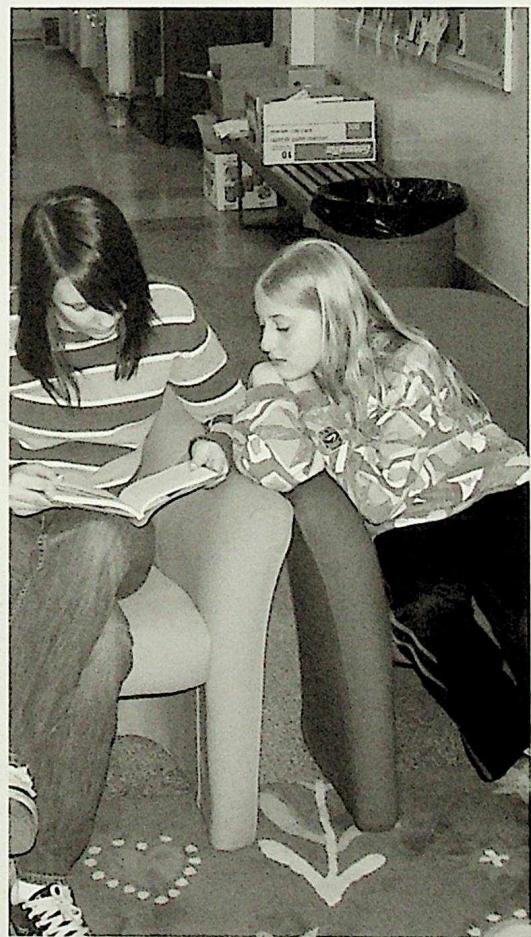

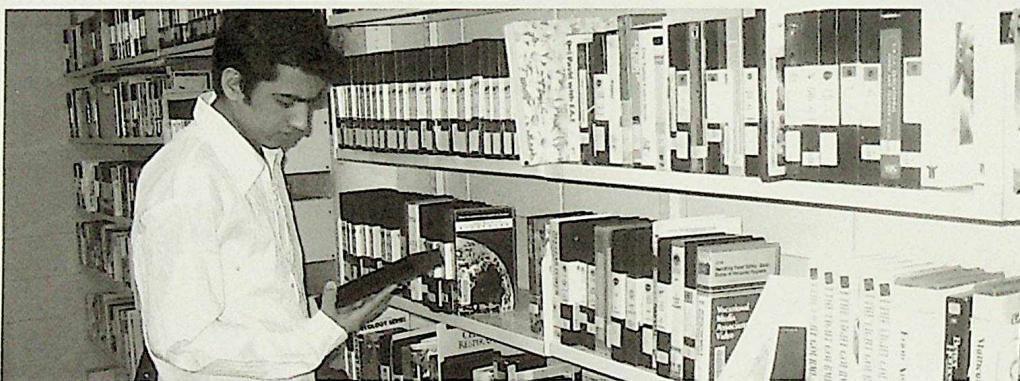

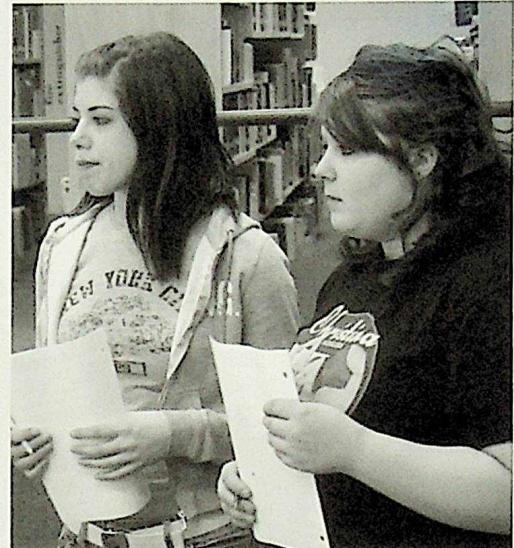

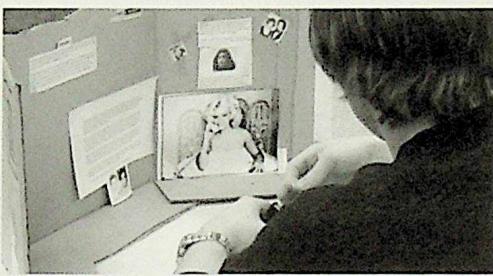

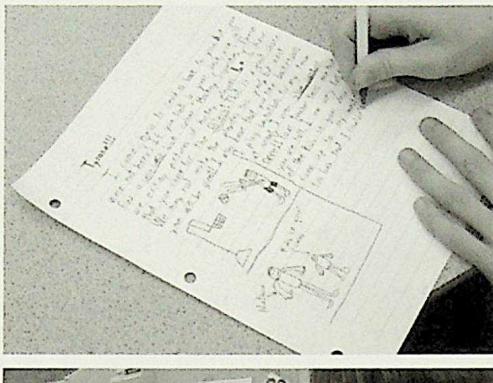

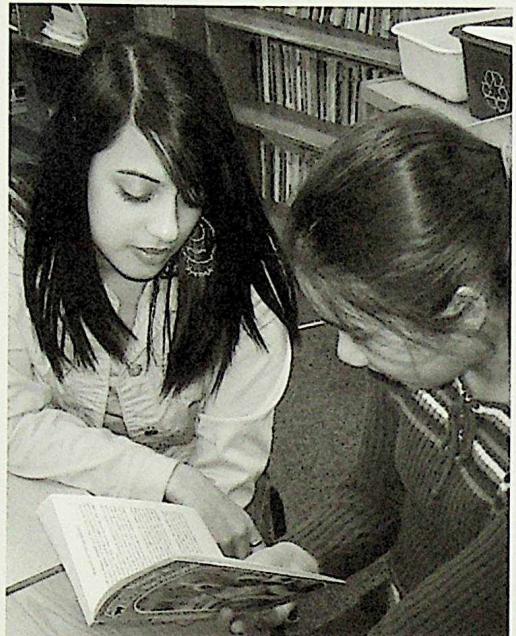

Some of the many interesting 'Social' experiences this year included the Holocaust Symposium, the second annual student-run Remembrance Day ceremony broadcast, and the video re-creations of Second World War 'news broadcasts'.

English

To all of the students who have walked through the halls of Wapiti and shared their enthusiasm, interest and insight with us in our classrooms, the English Department says thank you. Words mean more than what is set down on paper. It takes the human voice to infuse them with shades of deeper meaning (Maya Angelou). We have enjoyed teaching you, and learning from you...

Ms. Wright

ESL

Culture overdrive!

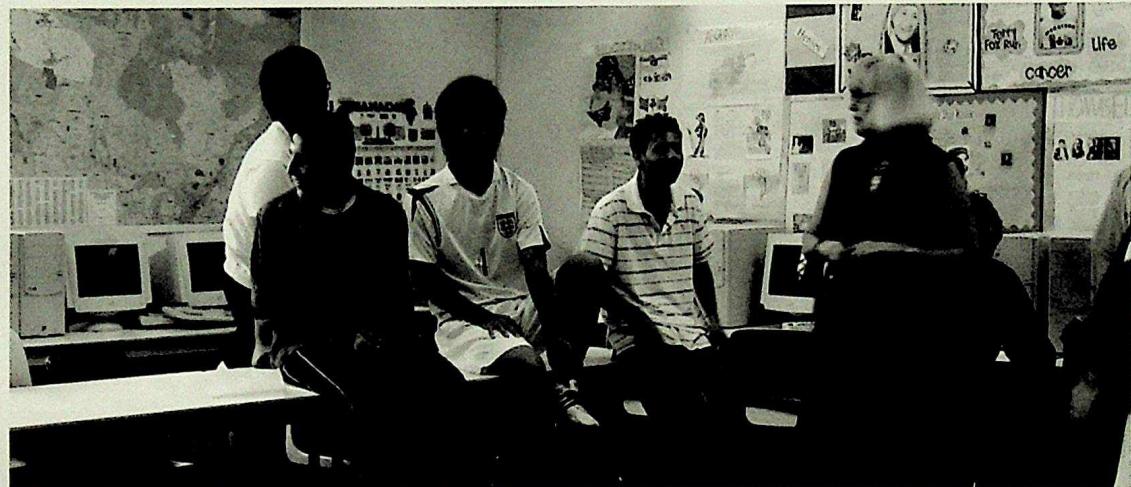

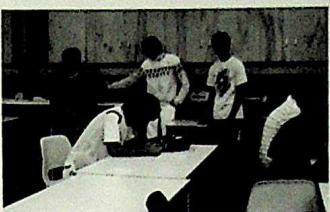

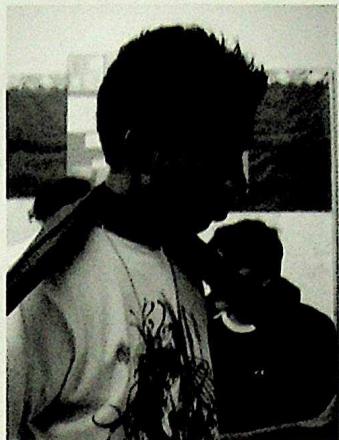

In many ways the ESL department is one of the most interesting in the school. Numerous languages are spoken and many cultural insights are offered by our newest Canadians, as well as foreign students that choose to study at Page...

Our second retirement...

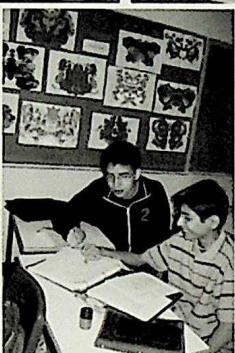

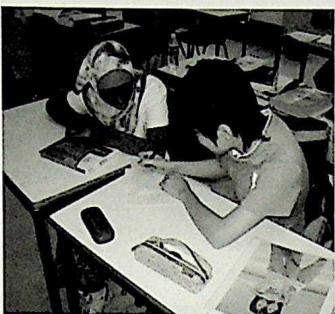

Congrats to Ms. Chisholm on her retirement. Enjoy your seashore property down east--you've earned it after decades in the teaching profession...we'll miss your cool explanations on all things Canadian, and your students will miss their mentor!

Thanks, Ms. Glassford!

On playing a leading role in our week-long multicultural celebrations, and on encouraging many of your students to share their life experiences on Page TV!

French

Spanish

Second Languages

We don't often recognize the opportunities that are offered to us in our youth, and I am speaking from experience!

Participating in the second language programs offered at J. Percy Page is one prospect you should be sure not to miss. Being equipped with the ability to speak a second language allows one to communicate with individuals all around the globe, dramatically increasing your travel and career prospects. Not only that, but knowing a second language enables one to immerse themselves in, and therefore gain an appreciation for, another culture.

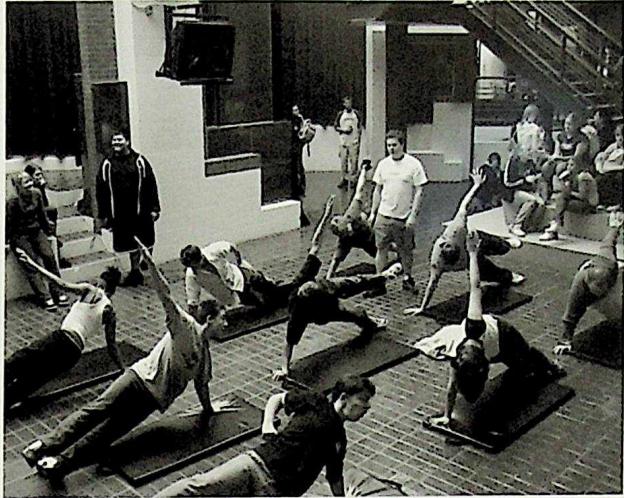

For example, this year, students in the French and Spanish programs began to integrate a second language into their daily routine.

One good illustration of this can be found in the photographs on this page, where students were required to develop culinary knowledge of the culture surrounding the language they were studying. In French, they had an actual foods lab; in Spanish, the students put their knowledge to practical use in a fieldtrip to a Chilean restaurant named Los Andes, where they were required to order and socialize in Spanish, as well as eat Latin foods.

Students were inspiringly successful in the second language programs during this school year as they made an effort to adopt another language, another culture, and another unique experience into their daily lives.

Physical Education

The experiences of a lifetime...

This year the J. Percy Page Physical Education department experienced marked growth in enrolment and, as a result, was able to run many successful ventures.

First of all, in September, Mr. Stawnicky's Phys. Ed 30 class went camping near Nordegg with Hela Ventures Ltd. They participated in rock climbing on an 80-foot mountain side rock face, rappelling from a 90-foot peak, and white water canoeing. Many students found out quickly that navigating rapids in a canoe is not so easy--many took a dip into icy waters while trying to make it through. Each night we had a camp fire where some classic 'Mr. Stawnicky' scary stories had some macho students on the edge of their seats. It was 3 degrees each night, which made for chilly mornings, but the temperature would rise to 16 degrees each day to provide the perfect climate for mountains adventures. Highlights included Mitch O'Niell's shaking knees, Brian Osutseye's 'drop down' of 3 inches, Brant Oviatt's under and up to get a-top the cabin log, and the singing by all the students of Billie Jean, Eye of the Tiger, and Tarzan Boy on the bus rides. The slogan of the trip was a simple little jingle that went something like this: *everywhere we go, people wanna know, who we are, who we are, so we tell them, so we tell them...we are the Panthers, the mighty mighty Panthers...*

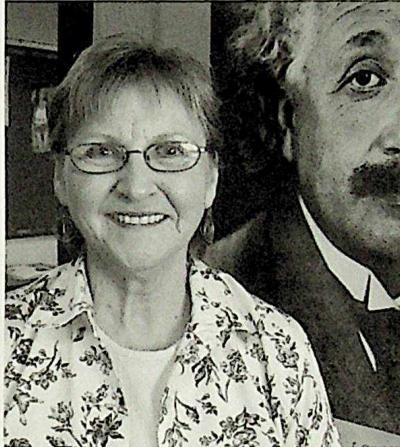

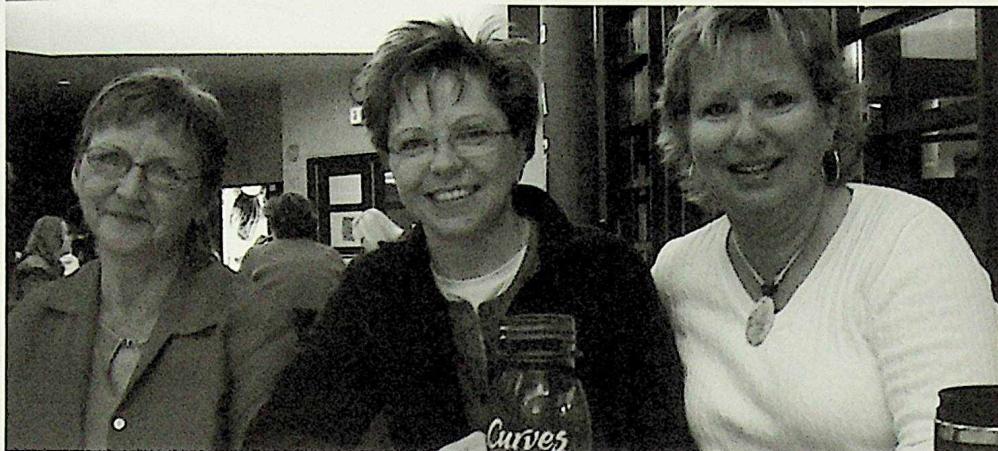

Next, all of the Phys. Ed. 20 classes went to Camp YoWoChAs on Wabamun Lake. At the camp, students enjoyed a myriad of activities including high ropes, low ropes, capture the flag, nature hikes, and survival games. Students had the opportunity to spend time with their classmates, forge new relationships, and enjoy the outdoors at the same time. As always, this trip is one of the highlights of PE 20 and we look forward to attending again in the fall and spring sessions in 2008.

Finally, the Kwantum Wellness Center sponsored the City-Wide Kwantum Motivational Challenge. The event ran from Nov. 27th until Dec. 8th, and focused on getting every student in the school participating in an active lifestyle and developing an awareness of total body wellness. The KMC was a competition not only among students, but also among schools, as the other schools powered by Kwantum (Salisbury, Scona, Wagner and Ainlay) competed for a grand prize. J. Percy Page, in our first year of competition, finished in third place behind Salisbury and Strathcona, respectively. Way to go PAGE!!! We hope to continue this valuable tradition next year!!

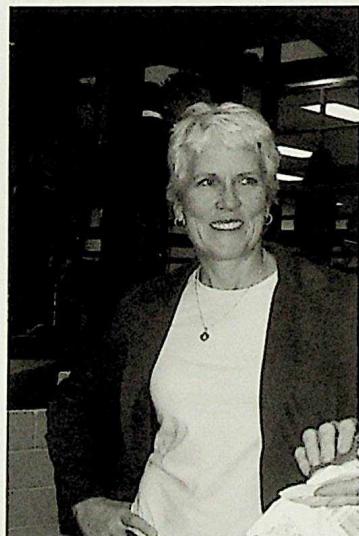

Thanks to all students and staff who made 2006/2007 such a successful year in the J. Percy Page Physical Education Department!

Student Services

They have the answers...

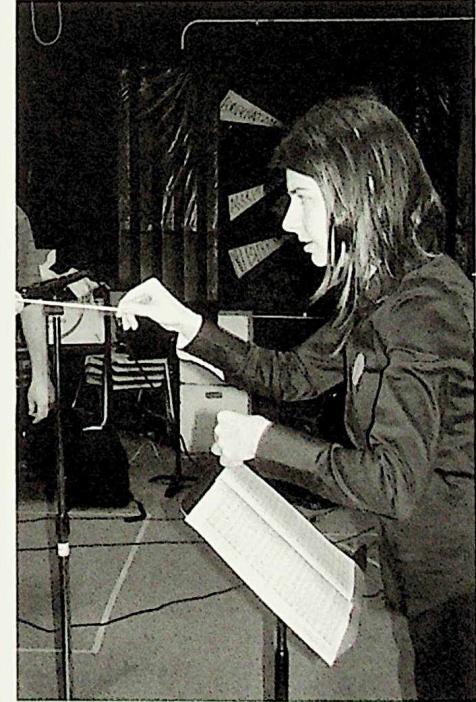

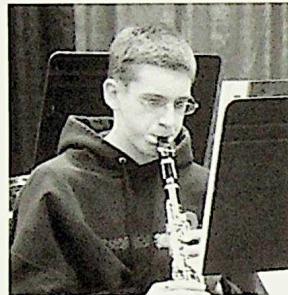

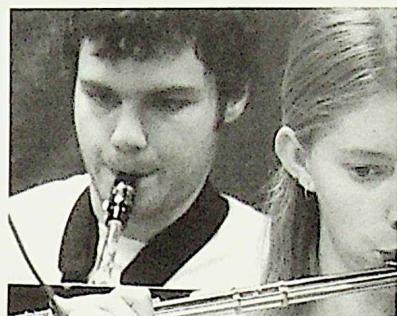

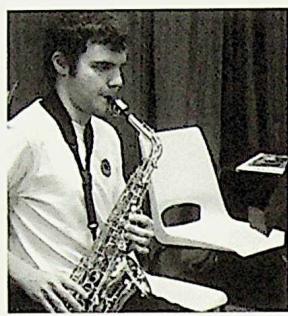

Student Services is the place to go for just about anything at Page: the staff assist many students with their classes, register students, run the CALM and Learning Strategies programs, offer career and personal counselling, coach and sponsor sports teams, play piano at awards and Grad, speak at Grad and other special events, offer advice on all kinds of things, help with absolutely *everything*, and will talk to *anyone*!

Music

Small group, big sound!

Drama

It's all an act...

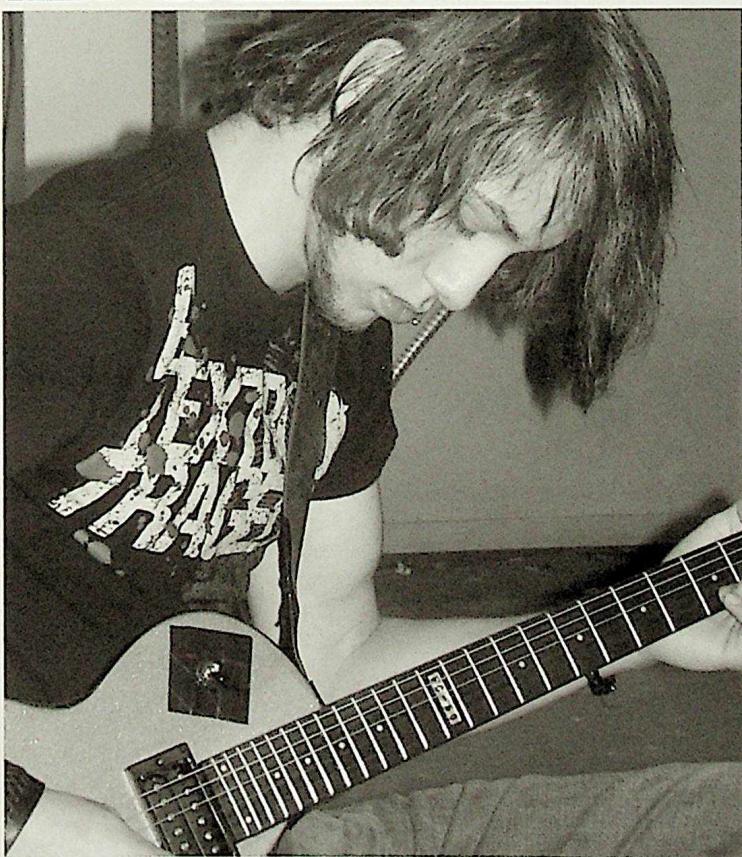

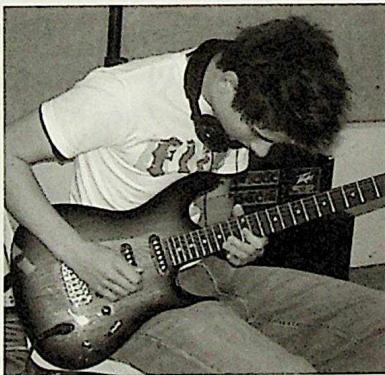

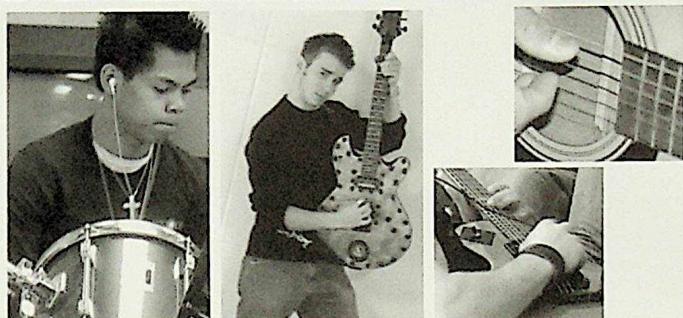

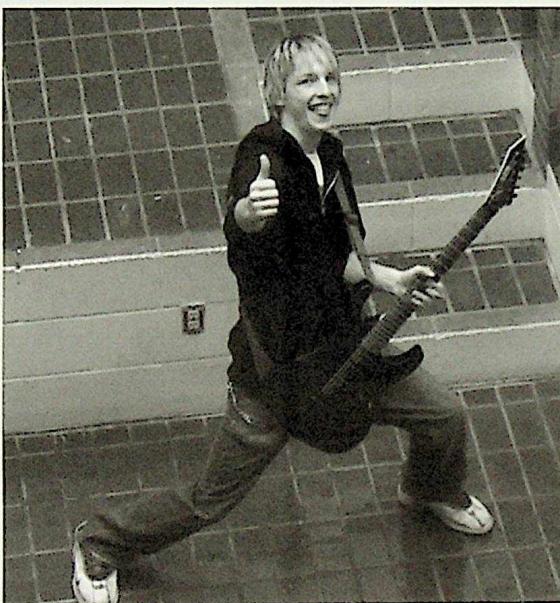

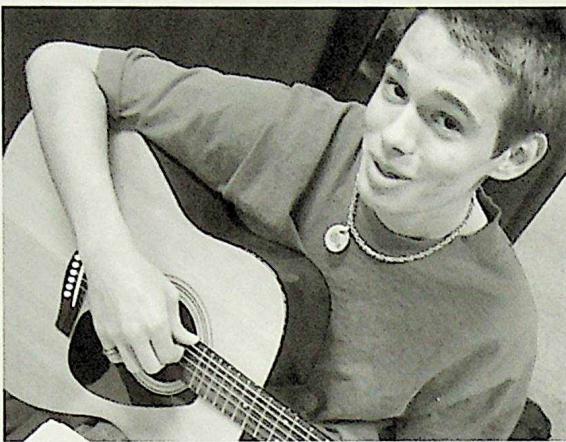

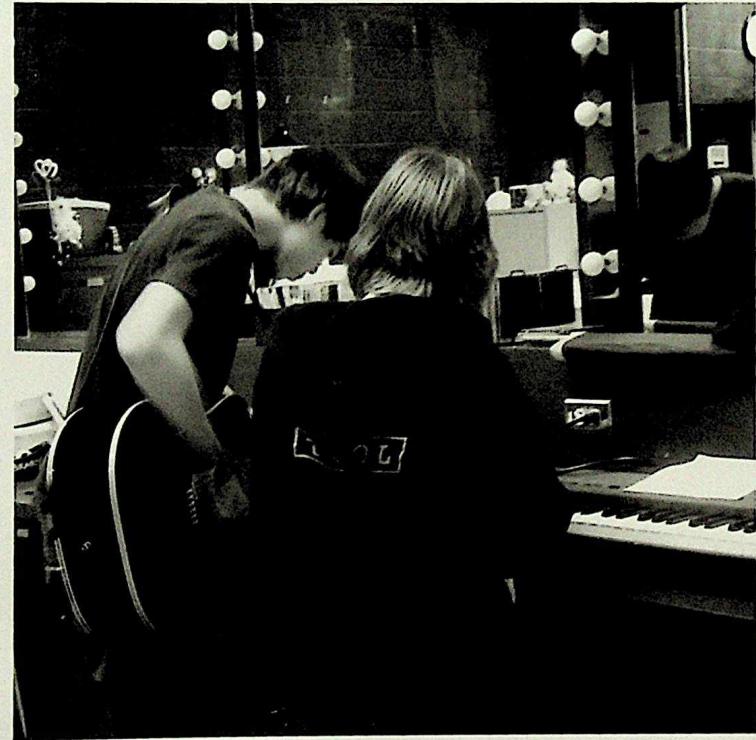

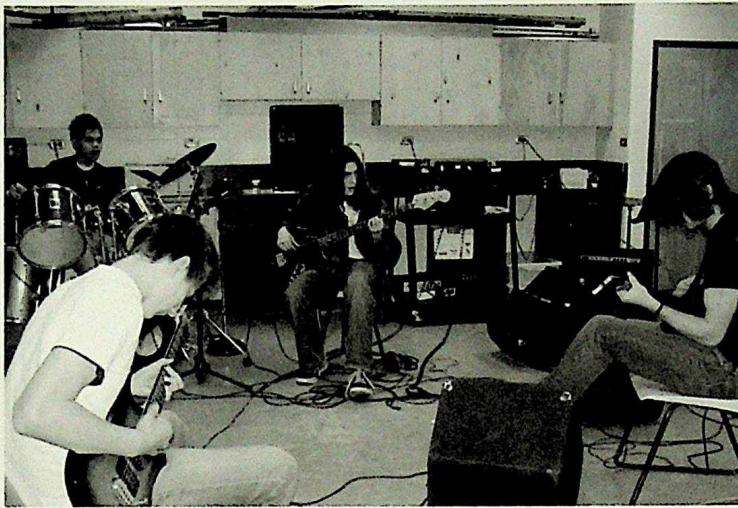

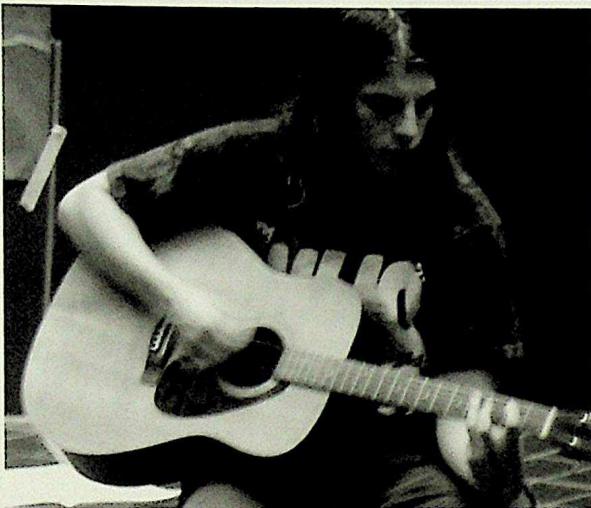

What an exciting year it has been in the Drama Department, especially for me as this was my first year teaching high school! Students came to me with a wide range of skills and drama experiences, eager to buy into my chocolate cake philosophy and all that it had to offer. From monologues to short scenes to one act plays, everyone got a chance to shine under the lights in our classroom (Black Box) Theatre. Thanks to all the audience members who came out to support us! We also had fun dabbling in mask making, make-up, wigs, costumes and props to add to the effects of our performances. In April, I proudly accompanied my Drama 30 students to the High School One Act Festival where they performed their version of *SKIN* by Dennis Foon, a piece they had prepared for and performed at J. Percy Page's Multicultural Night. I think all would agree that the experience was well worth all the effort that went into it. Finally, it was great to end off the year showing our stuff in the pit as Drama students were able to bring some of their work out into the open for all to see!

Hats off to our graduates! I wish you all the very best in the future.
To those of you returning: 'Until we meet again'!

Guitar

You can't talk school culture at Page without talking about Guitar...it's become one of the most popular programs at our school. In 2007, Guitar students could be heard in the Pit and throughout the school practicing, at almost all school functions, in class, and on Page TV and Page Radio. Along with voice students, they produced some awesome songs and a half-dozen music videos, as well as being a hugely popular draw at the annual Talent Show!

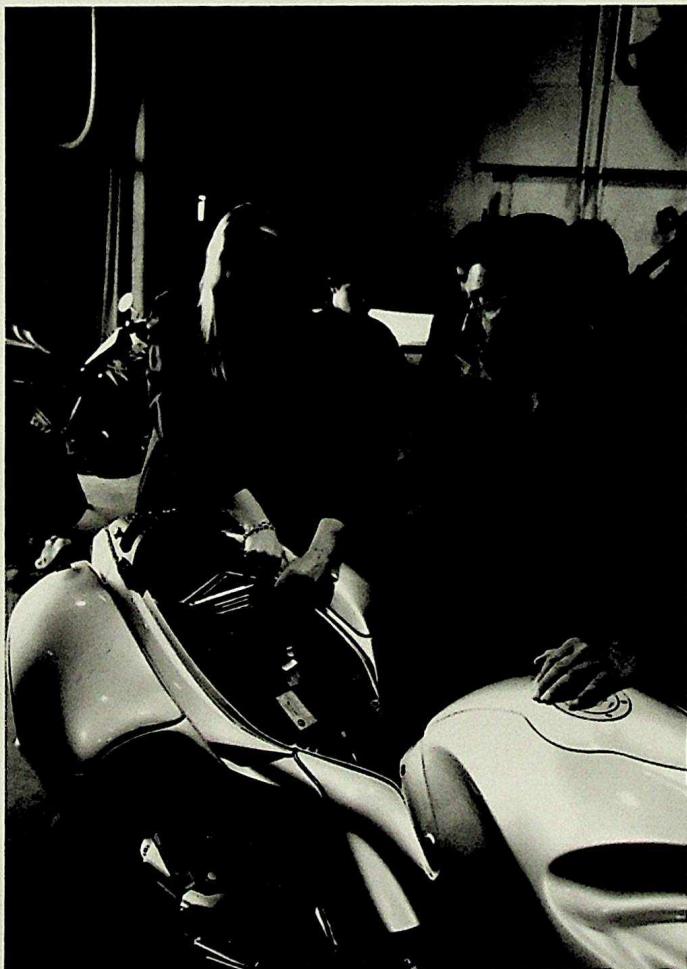

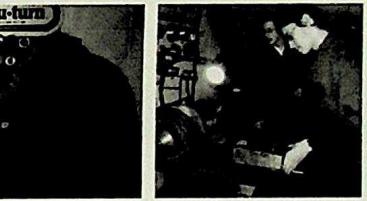

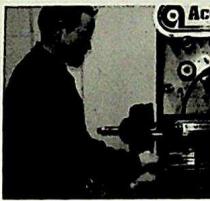

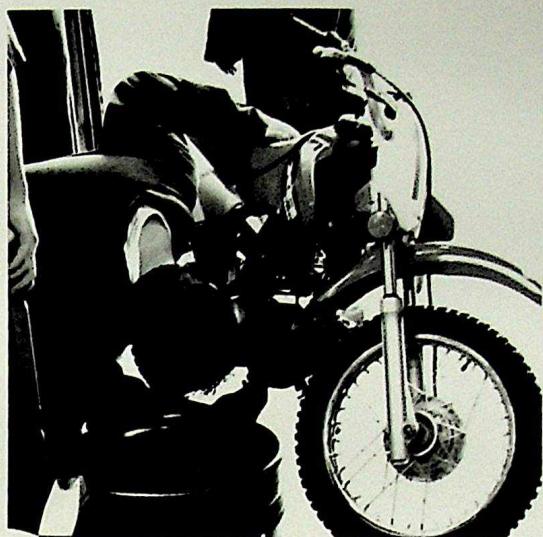

CTS

The Trades and Technology People!

MECHANICS

Congrats to Mr. Bhardwaj and Mr. Anderson on a successful year mentoring our future Mechanics. Special recognition goes out to the students who kept our staff cars running for another season!

BUILDING CONSTRUCTION

Without which none of us would know where to go for tools, advice, and last-minute fixit stuff!

COSMO

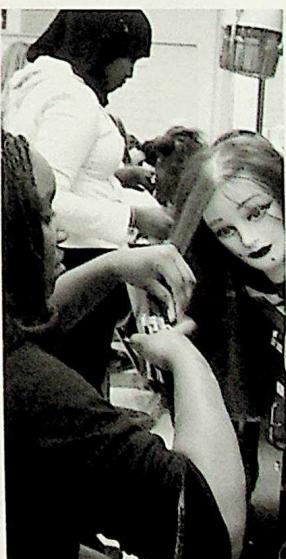

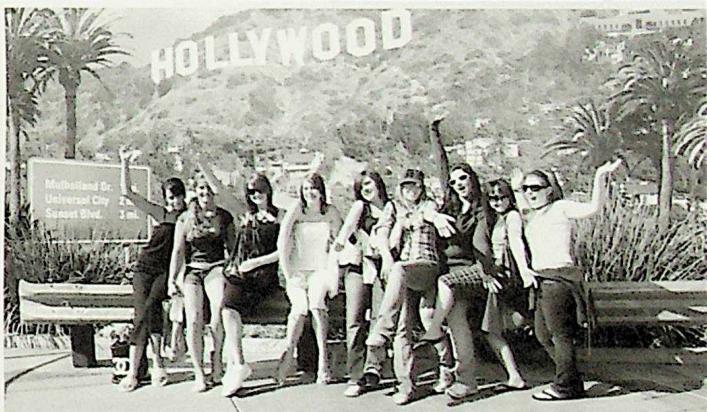

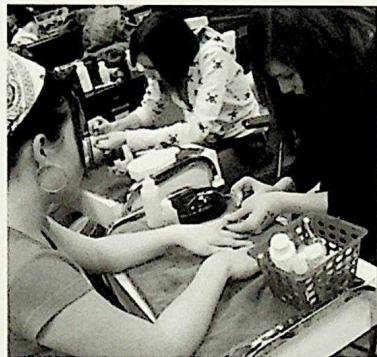

How the staff and students in Cosmo make it through the year without tearing their hair out is a mystery to most of us! Between classes bursting at the seams, customer service, and help with school events like the Stuart Olson Children's Christmas Party and charity events like the 'Shave Your Head for Cancer', it's a wonder anyone's sane in there! Congrats to Ms. Horn on her retirement, thanks to Ms. Morley for a banner year, and a special thanks to Ms. Moss and her dance school for all of the entertainment at special events!

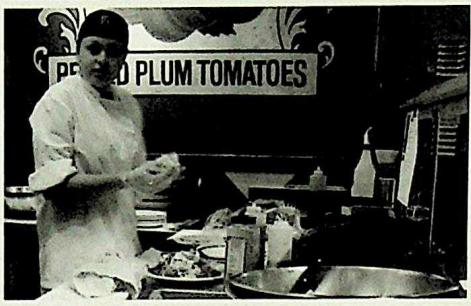

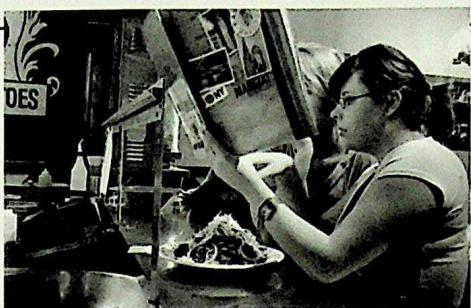

Next year, a newly renovated shop!

CALIFORNIA!

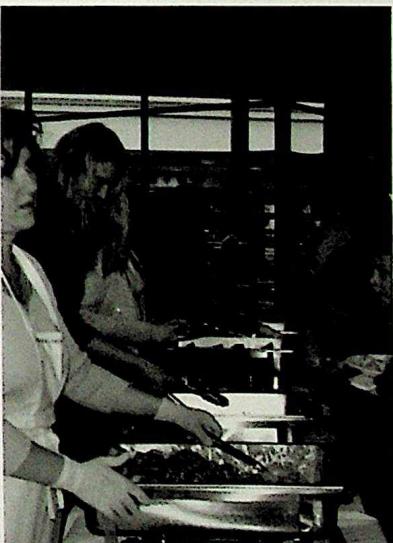

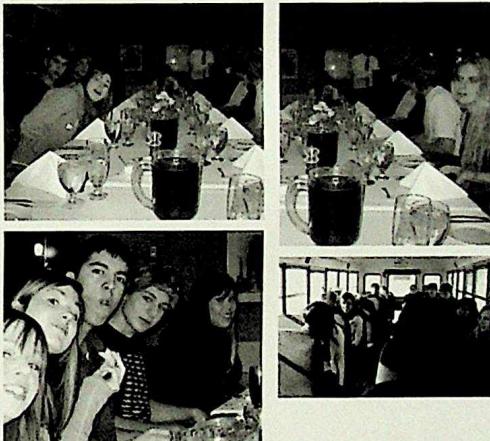

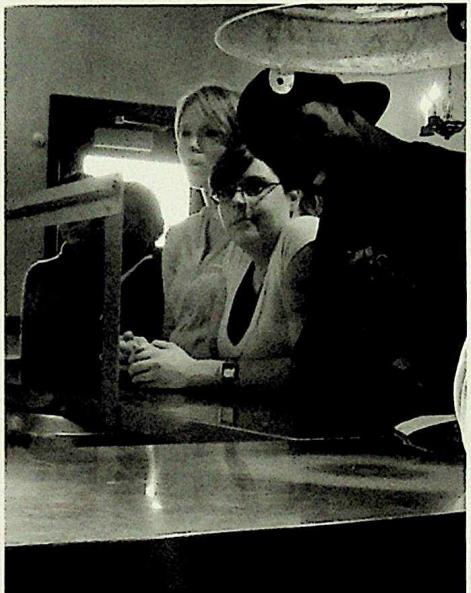

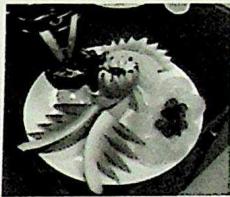

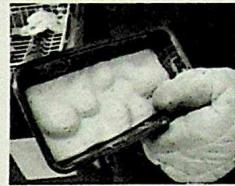

Yup...they got to go and we didn't!

FOODS

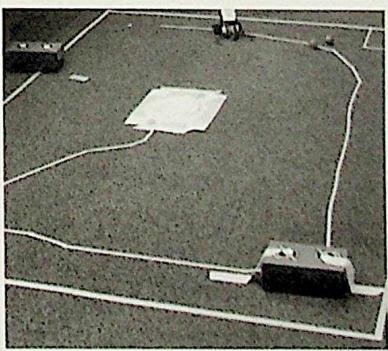

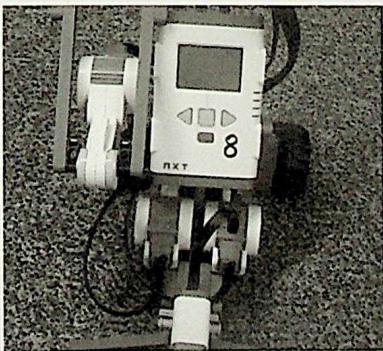

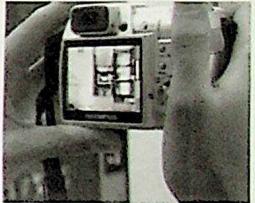

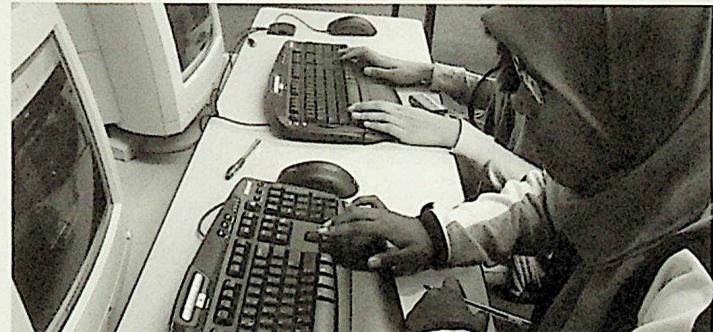

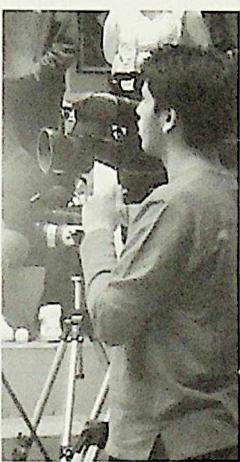

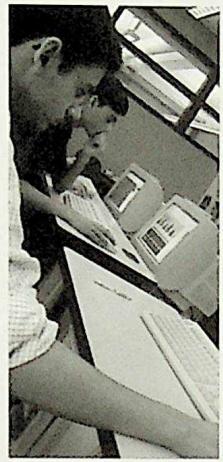

Foods is the most popular CTS course at Page. In 2007, Ms. Vandale, Ms. Norton, and their students figured prominently in numerous school functions, as well as cooking up a storm in their classes. Our labs also received some long-overdue renos, including refinished countertop dividers, extra microwaves, and new washers and dryers... Many thanks for the food treats throughout the year!

COMPUTERS

Busy was the by-word in Info Pro this year, with a new robotics and programming curriculum, increased multimedia enrolment, and a full slate of 'office' classes...computer students had a lot of fun, and contributed a lot to the school through such things as Page TV content and Grad publications.

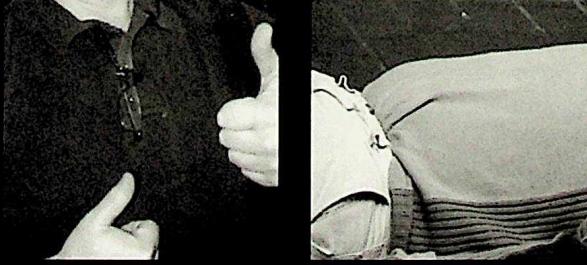

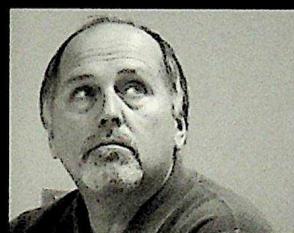

ACCOUNTING

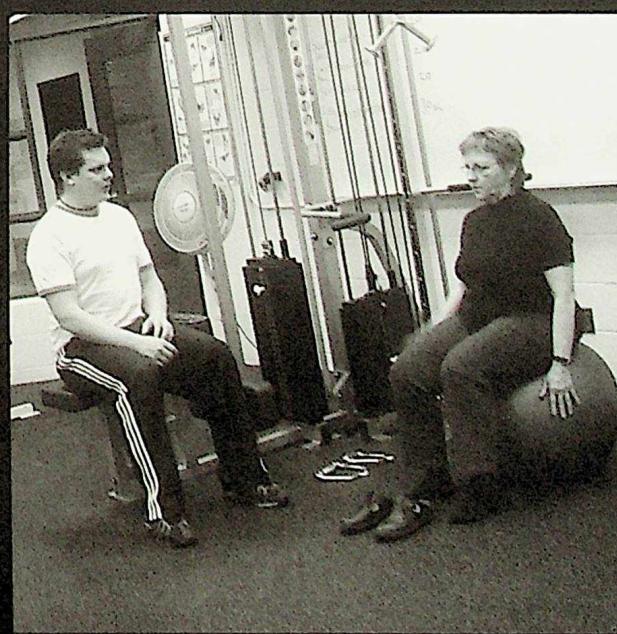

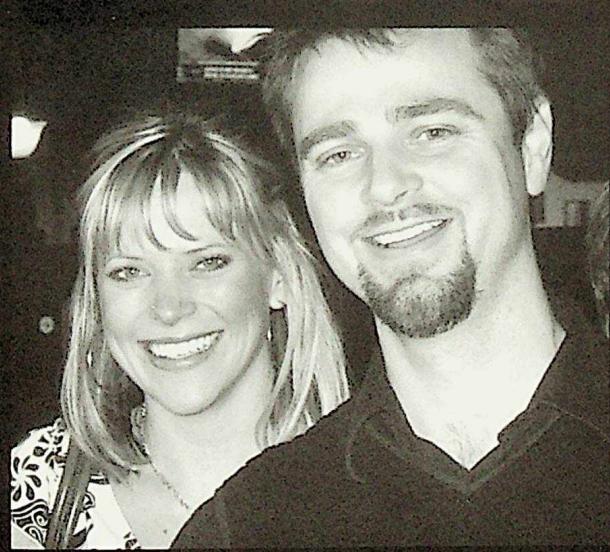

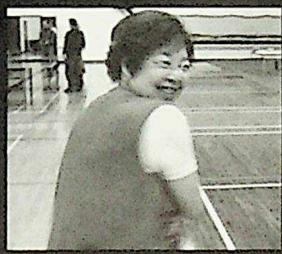

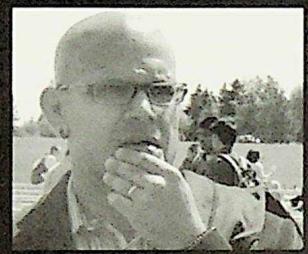

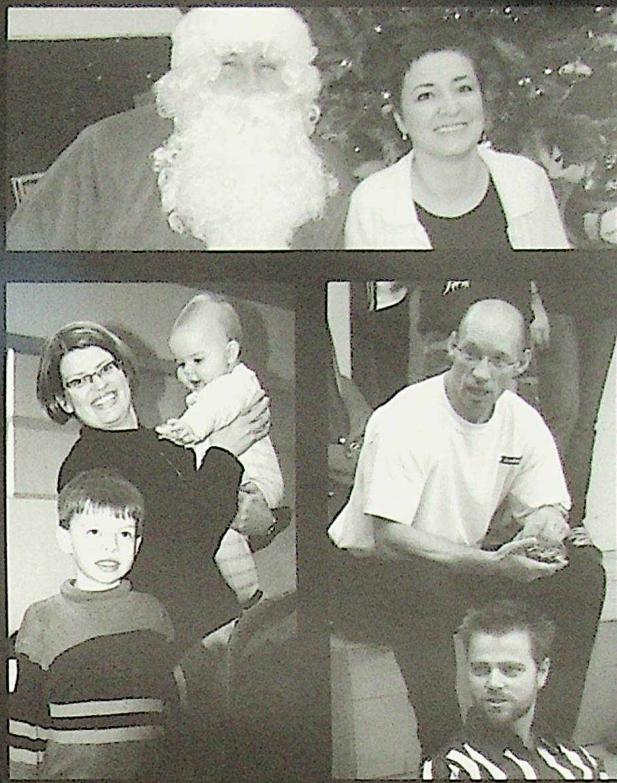

A ledger-ful of Accounting students learned that for every debit in this world, there's also a credit! They were also treated to a number of guest speakers, and benefited from our new accounting software.

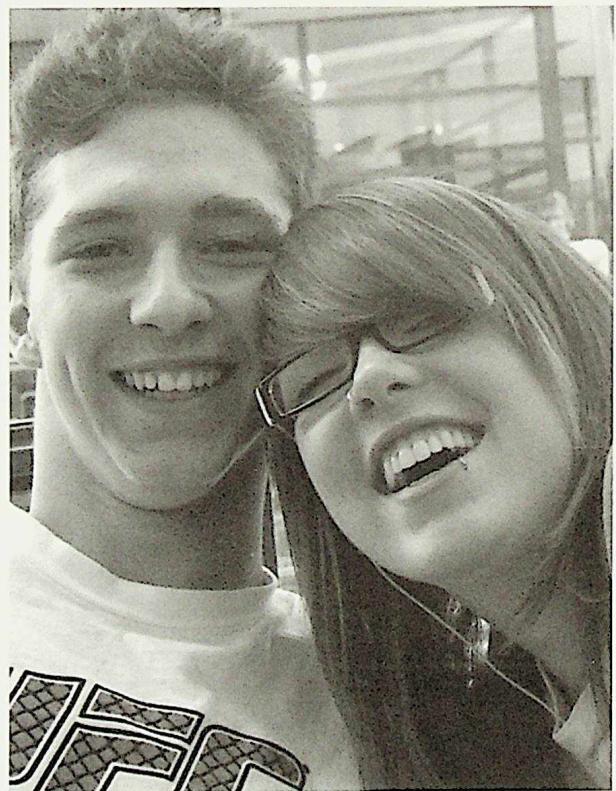

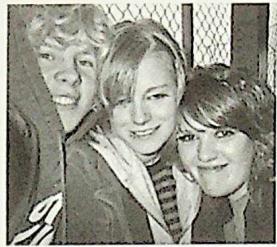

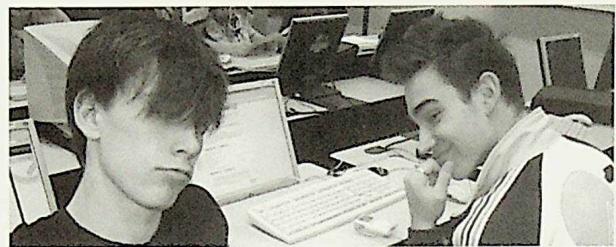

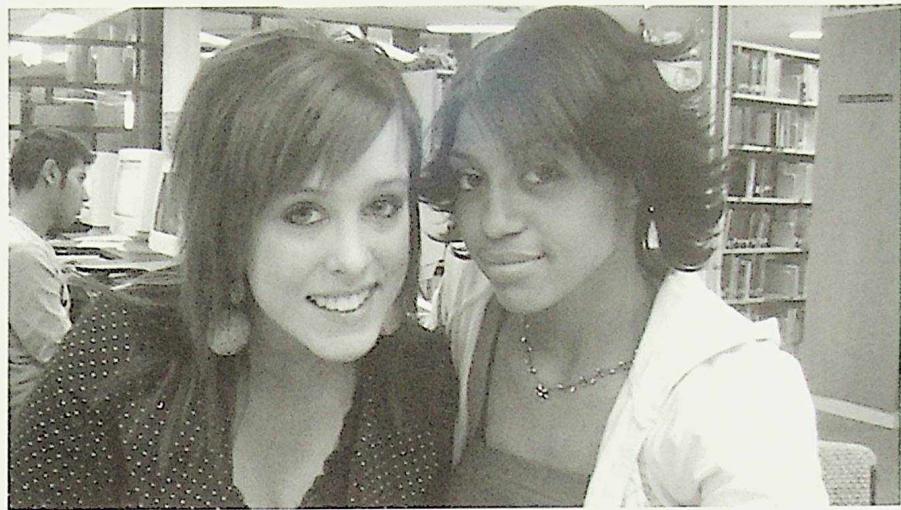

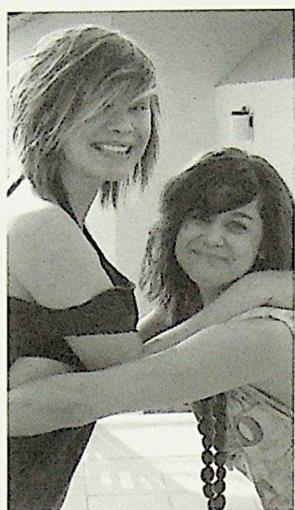

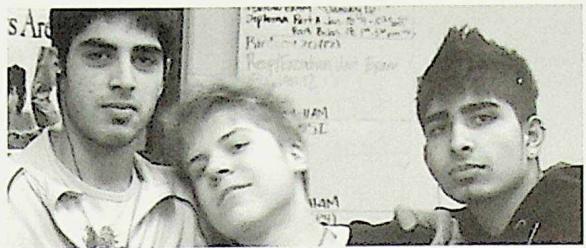

LEGAL STUDIES

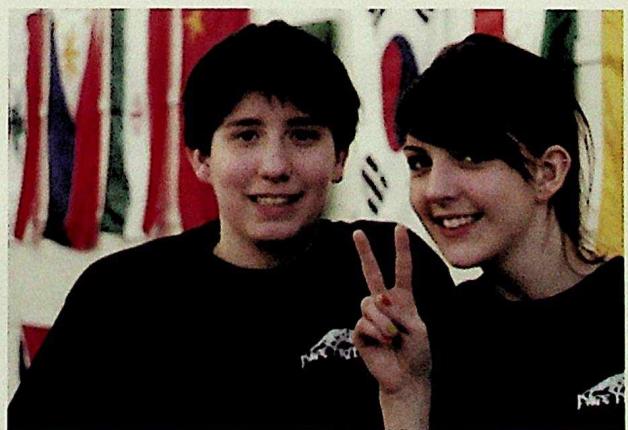

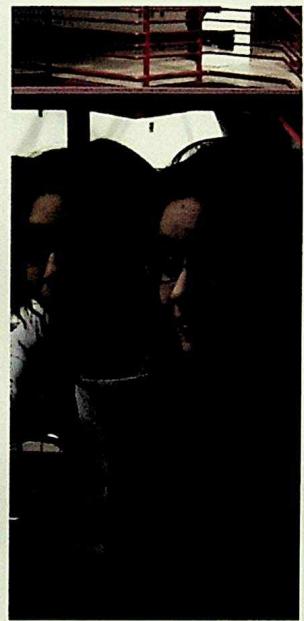

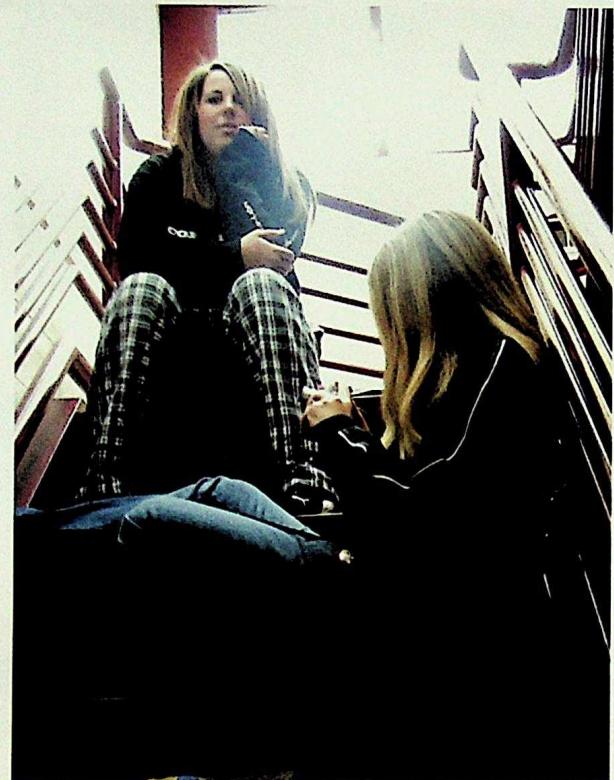

Two Legal Studies classes participated in a couple of mock trials and a field trip to the courthouse, met both of our resource officers, and helped out with SADD this year.

graduation 2007

Good afternoon...

I would just like to say, first of all, that the success of everyone here would not have been possible without the

S U P P O R T

from our friends, family, and teachers,

and for that, I thank you all.

Two years ago, I moved to Edmonton from Calgary. I had almost failed Grade 10 for the second time, and was getting ready to drop out of high school completely. It wasn't until I was forced to endure two terrible jobs that I realized: that's exactly the type of thing I would be forced to do for the rest of my life, and that **terrified me.**

That terrified me so much, that I decided to come back and finish high school, and now,

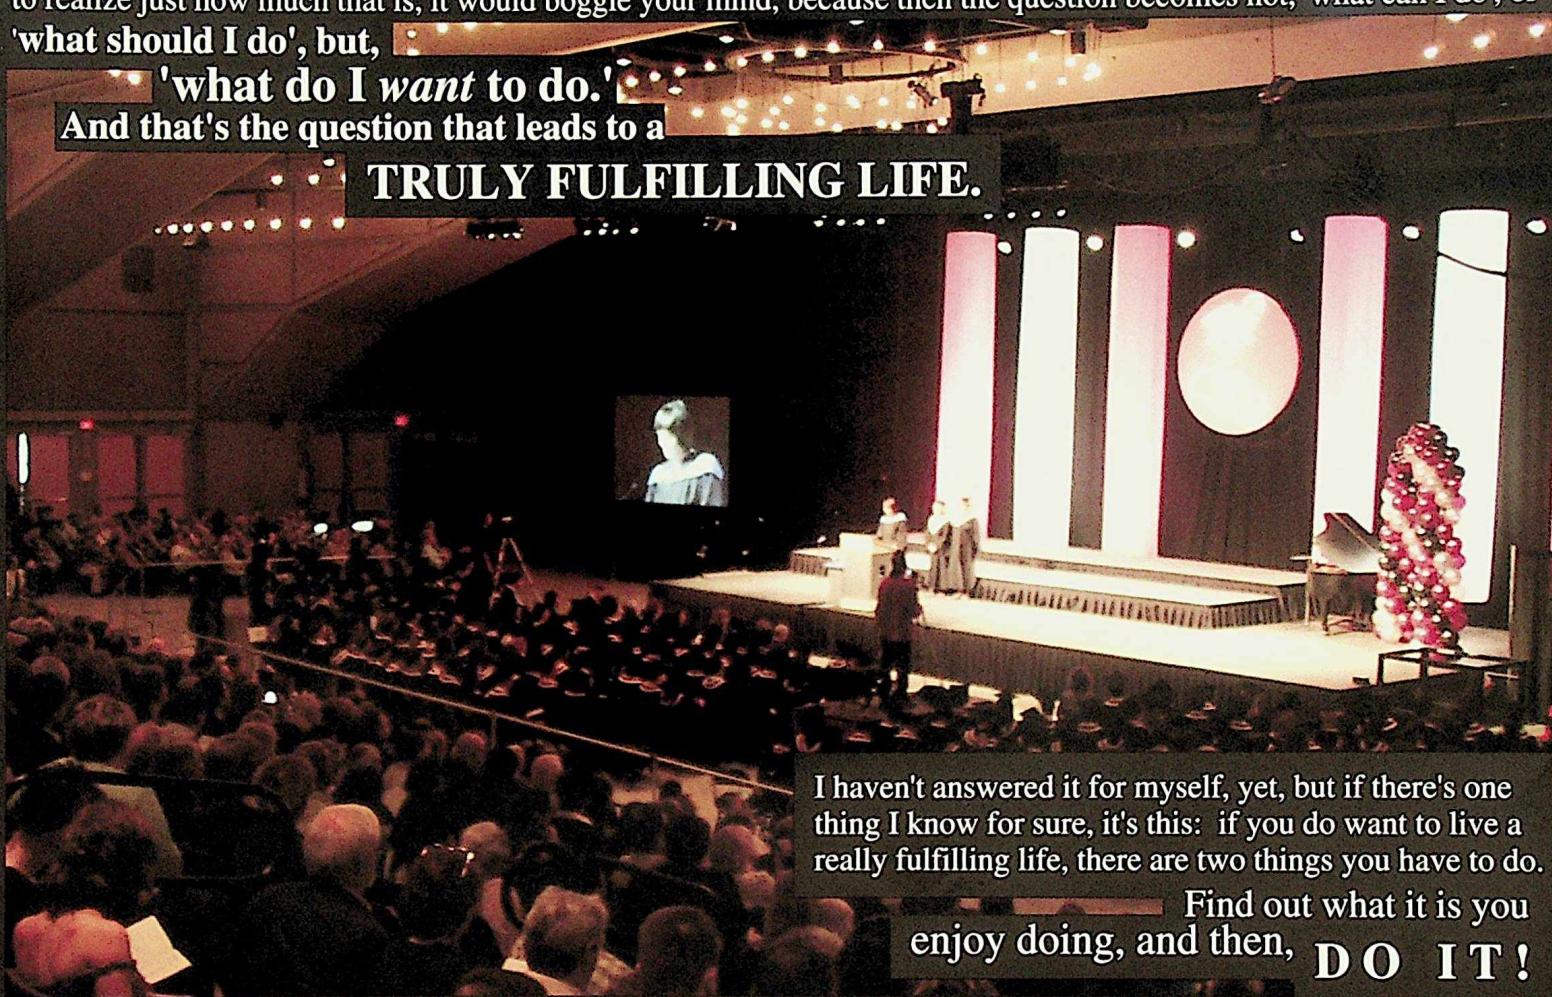

HERE I AM!

The point I'm trying to make is that, even though I was doing miserably in school at one time, I was able to come back and finish. You see, whatever your circumstances may be, everyone has the same amount of potential, and if you were to realize just how much that is, it would boggle your mind, because then the question becomes not, 'what can I do', or 'what should I do', but,

'what do I want to do.'

And that's the question that leads to a

TRULY FULFILLING LIFE.

I haven't answered it for myself, yet, but if there's one thing I know for sure, it's this: if you do want to live a really fulfilling life, there are two things you have to do.

Find out what it is you enjoy doing, and then, **DO IT!**

Author and philosopher Howard Thurman once said, 'Don't ask yourself what the world needs, ask yourself what makes you come alive, and then go and do that, because what the world needs is people who have come alive.' So go, and do something fun with your life! It doesn't matter what; do something scary or something inspirational. Do something you wouldn't expect yourself to do, just don't do nothing.

We can't waste our lives waiting for them to begin.

Before I go, I just want to leave you with one final thought: tomorrow is another day. The sun will rise at 5:09 a.m. and set at 10:04 p.m. Your hair will grow .4 mm, you will take 21,000 breaths, and blink 15,000 times.

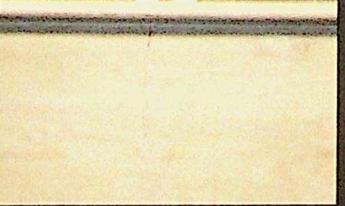

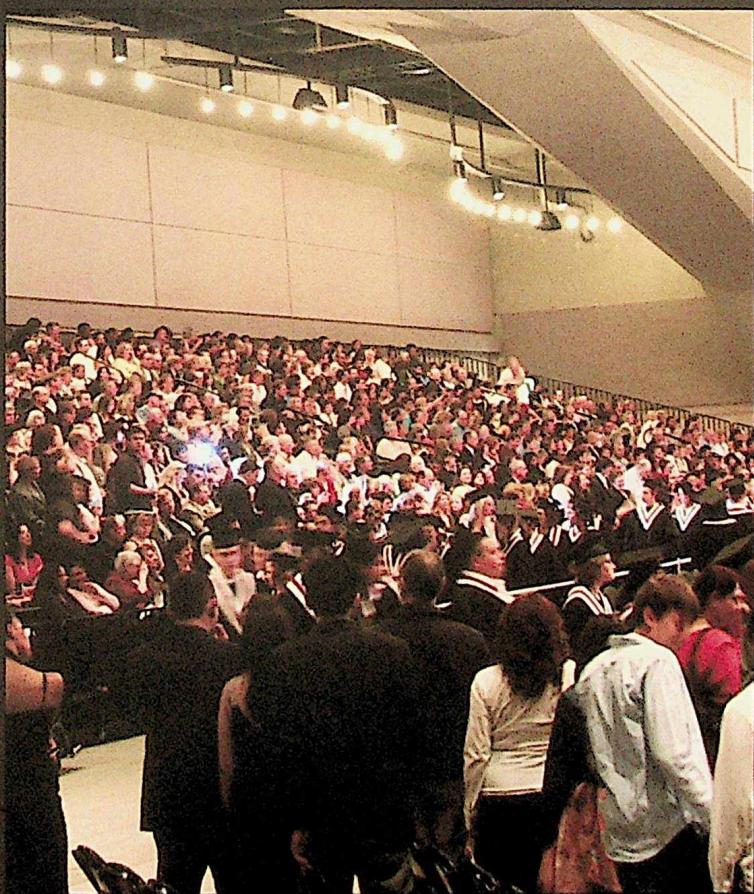

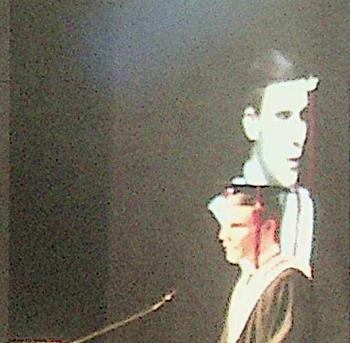

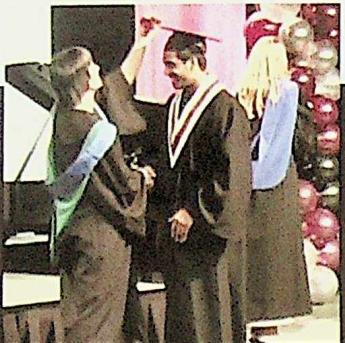

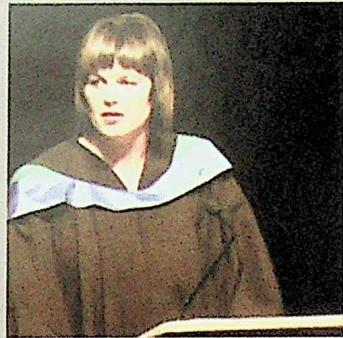

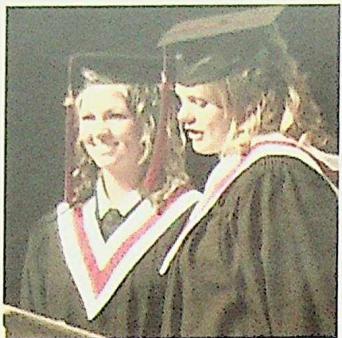

But what makes tomorrow different is the fact that you won't let it slip away.

At the end, you'll ask yourself, what did I do to make today worth living for, and the answer will have been up to you.

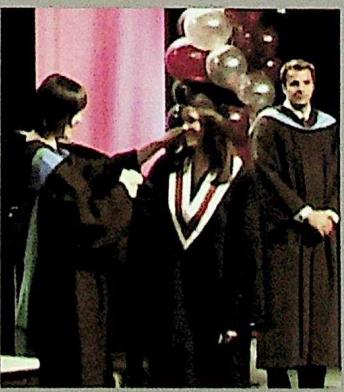

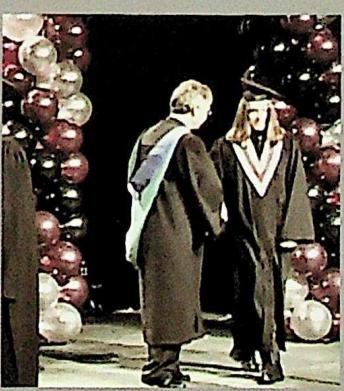

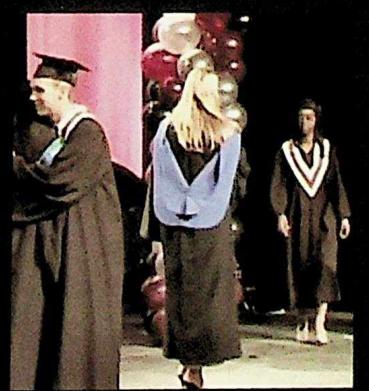

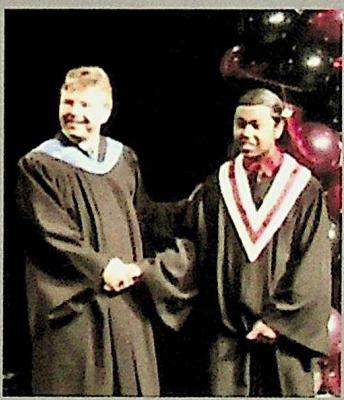

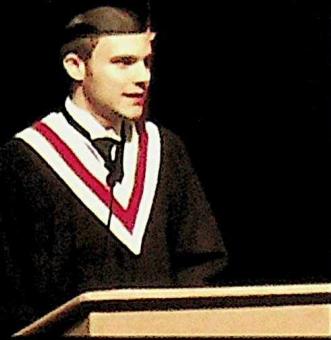

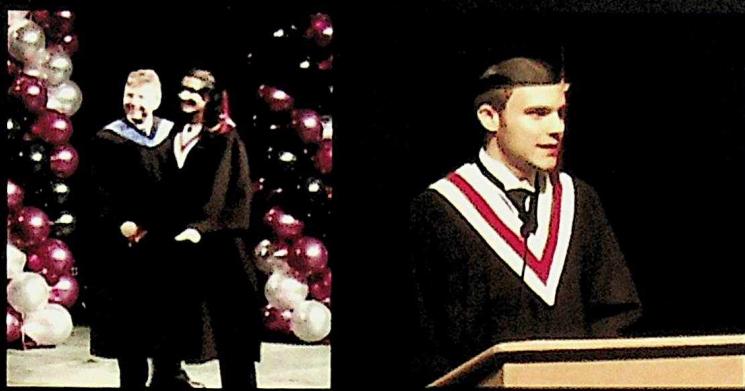

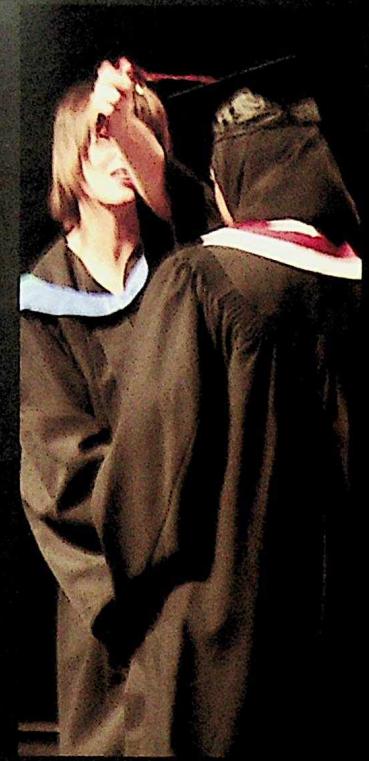

To the graduates of the J. Percy Page Class of 2007, I say,

'GOOD LUCK, BEST WISHES, AND, MOST IMPORTANTLY, HAVE FUN!'

ART 10

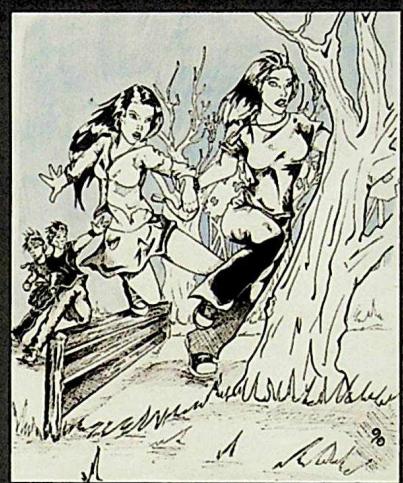

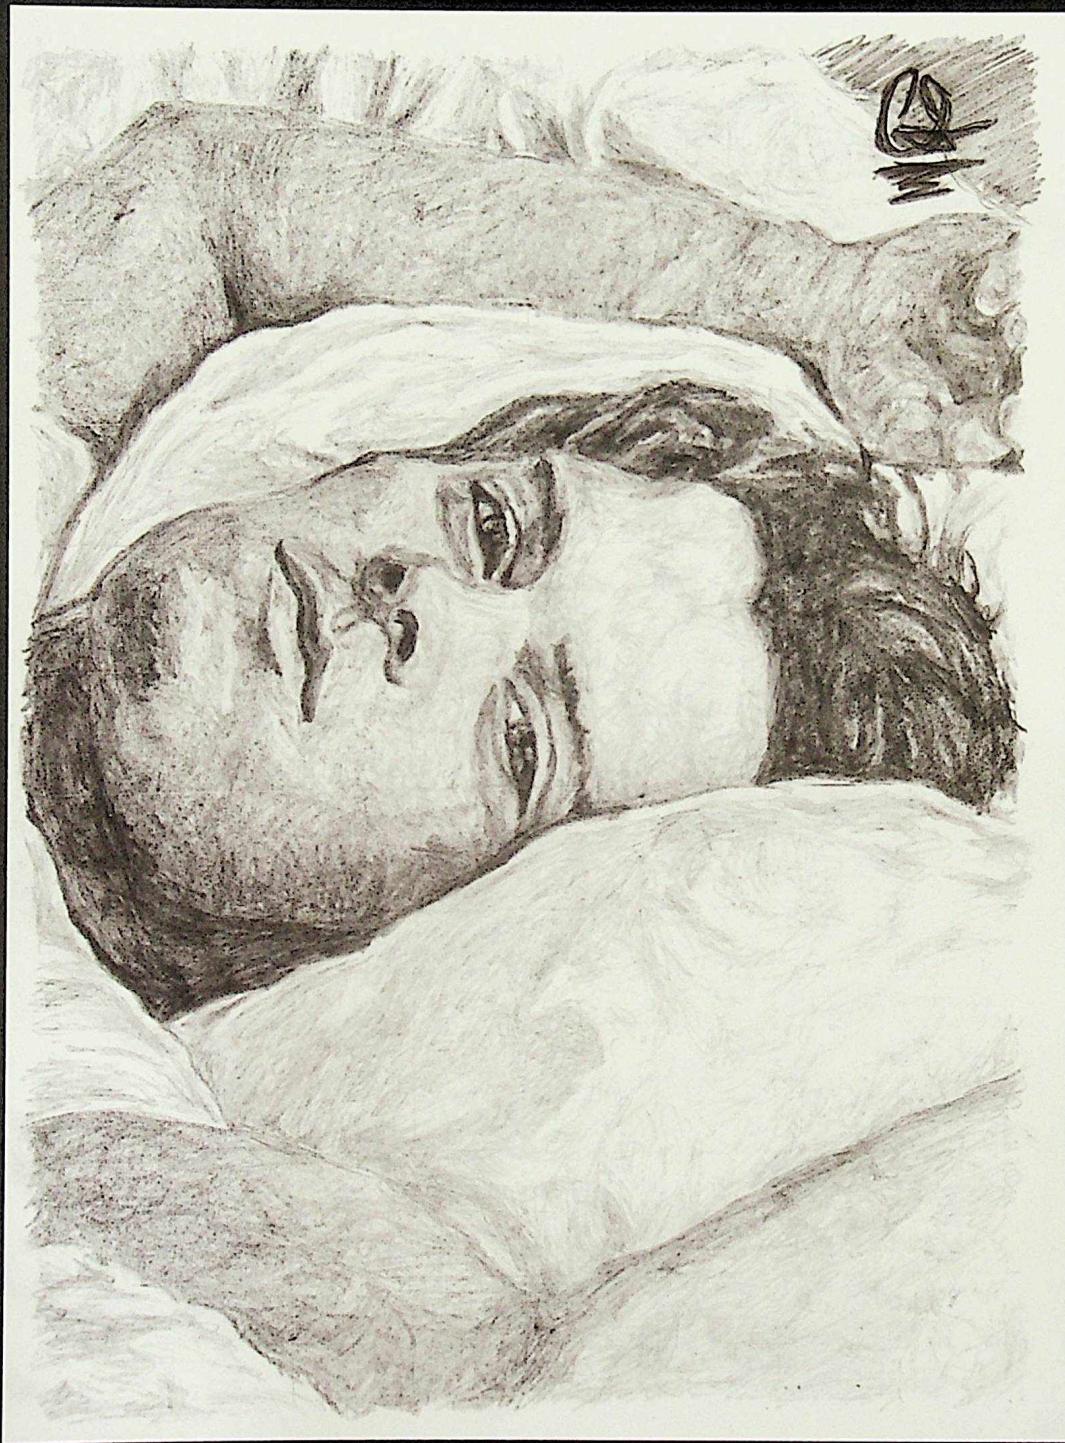

Our students, along with Mr. McNicoll and Mrs. Dobson, have worked hard this year to breathe new life into the Art program at J. Percy Page. Students have proved to be not just technically skilled but also to have sophisticated ideas about how they want to express their thoughts and feelings about their world and their experiences.

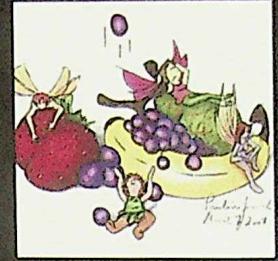

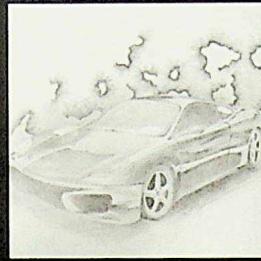

We are fortunate to have such a diverse population and through the visual arts we find a universal language. We have been working to build a community atmosphere in our studio, from classroom activity to a regular lunch hour group, to extending our program and our work into the community.

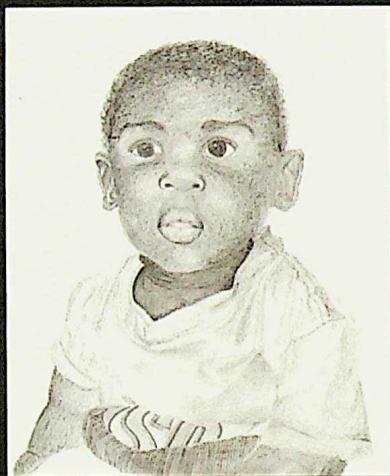

ART 20

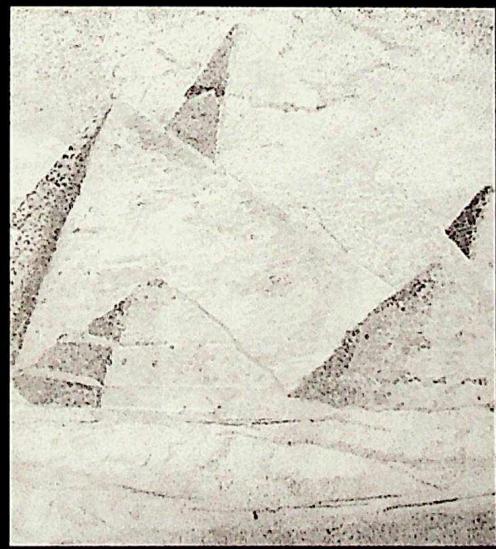

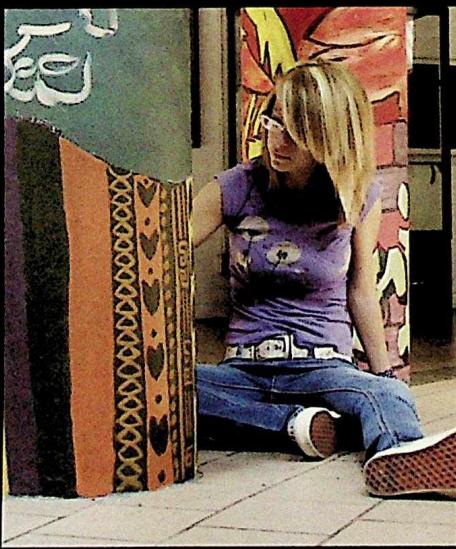

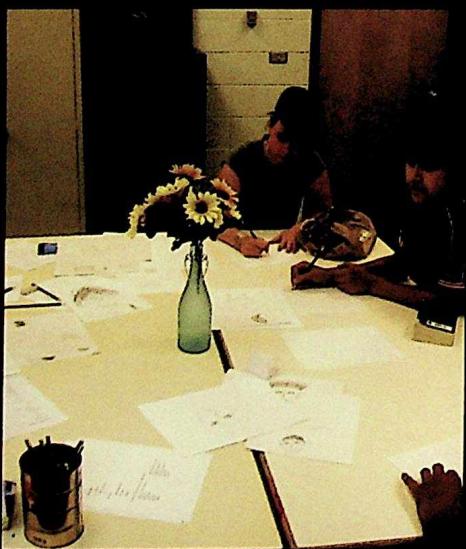

ART 30

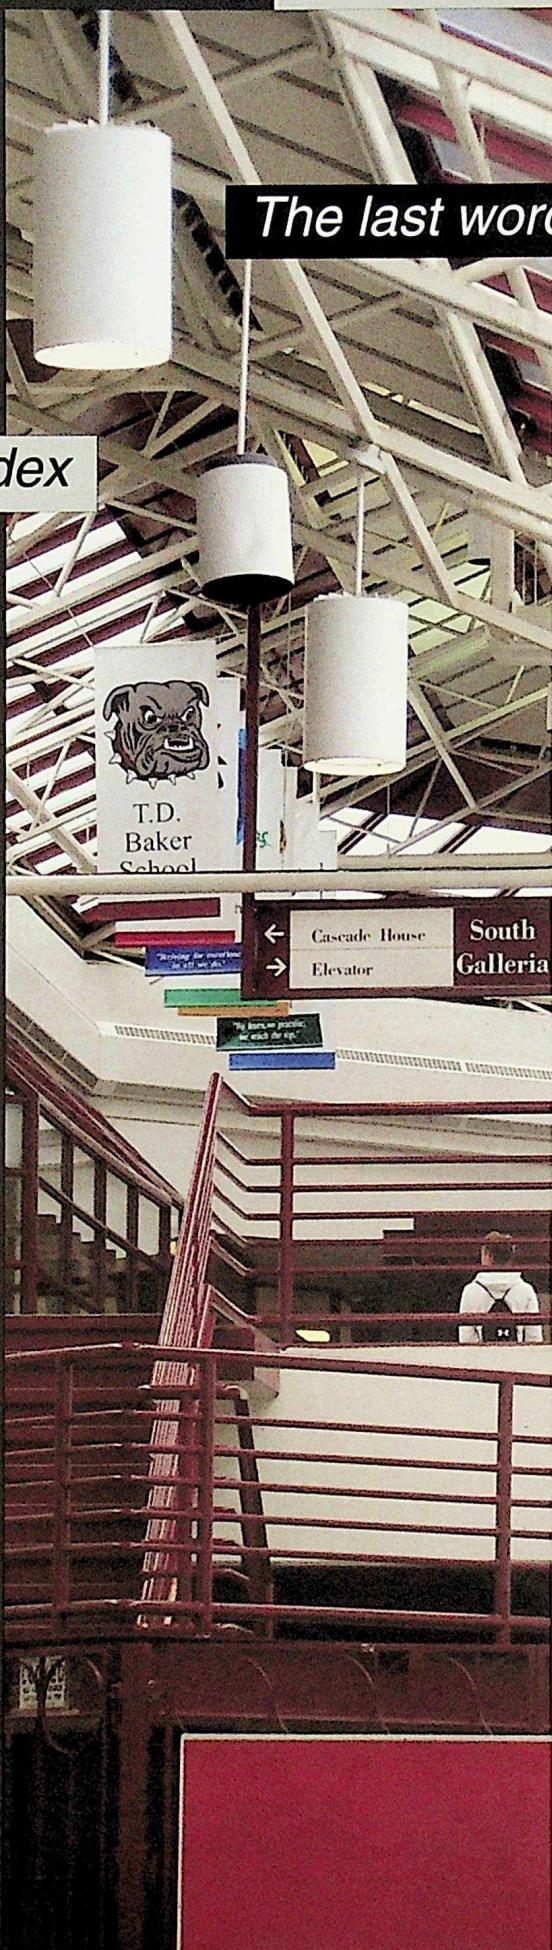

We are excited about creating a new awareness in the community as we broaden our students exposure and audience in order to share the talent we have here at Page.

The last word...

In your life you meet people. Some you never think about again. Some you wonder what happened to them. There are some that you wonder if they ever think about you. And then there are some you wish you never had to think about again; but you do.
